After the closure of the voting at the AGM, the report on voting done at the meeting was generated in my presence and the same was diligently scrutinised.

The votes cast under e-voting facility were there after unblocked in the presence of two witnesses who were not in the employment of the Company and after the conclusion of the voting at the AGM the votes cast there under were counted.

I have scrutinised and reviewed the e-voting and poll conducted during the AGM, based on the data downloaded from the Karvy system.

The register has been maintained electronically to record the assent or dissent, received, mentioning the particulars of name, address, folio no., client ID of the Shareholders, no of shares held by them, nominal value of such such shares. There were no shares with differential voting rights in the Company, hence there was no requirement of maintaining the list of shares with differential voting rights.

I enclose herewith my report on the result of the e-voting and poll in respect of the said resolutions.

Thanking you.

Yours sincerely,

Pramod S. Shah
