ABOUT US

TBZ – The Original is a brand that is coveted for its promise of innovative designs, exemplary quality of workmanship and trust that spans over 154 years. Our brand has been synonymous with jewellery for weddings, celebrations and festive occasions as well for everyday wear for young India that has eclectic taste and seeks jewellery that is aspirational. Our enduring collection of aesthetically designed pieces epitomises the spirit of femininity, elegance and grace.

Inspired by our legacy and by staying true to the values of trust, quality and craftsmanship that we have inherited, we have carved a niche for ourselves. We have been at the forefront of designing traditional as well as

contemporary collections and are trend-setters setting benchmarks of excellence in all that we do.

Every jewellery piece comes with a buyback guarantee. We were the first in India to promote the concept of lightweight precious jewellery, offer lifetime buyback on gold and diamond jewellery, provide certified solitaire diamonds and introduce 100% BIS hallmarked 22 karat gold jewellery. Our pioneering focus is also reflected in the overall professional working environment in our Company and is visible in the high standards of corporate governance, transparency in reporting and ethical business practices we adopt.

DELIVERING VALUE SINCE 1864

From delivering value to our customers by offering exceptional designs, quality and customer service across gold and diamond jewellery, from increasing our customer base from largely wedding shoppers to the new millennials and fashion shoppers, to delivering a superior business model to our shareholders by continuously evolving and taking TBZ – The Original across India.

Our products are both a fashion statement and an investment. And we are proud to have been delivering value (and trust) for over 154 years. TBZ – The Original resonates with trust that is nurtured for over five generations. Our lasting legacy in the jewellery business has earned us the reputation of being the “jeweller whom India trusts”.

CHAIRMAN'S LETTER

TBZ – The Original, has been one of the oldest brands not only in jewellery, but amongst all other consumer brands in India. With a rich and rare legacy of over 154 years, the brand today is deeply embedded in the hearts of our customers.

Dear Shareholders,

It is my pleasure to present before you our Annual Report for FY 2017-18.

The year will be remembered for India's bold GST reform that has ushered in the era of a unified market with the one-nation, one-tax principle. This is a reform that has significant long-term benefits. The economy picked up growth as the effect of demonetisation faded with the GDP registering a growth of near 7%. Consumer and investor sentiment remained positive, particularly in the latter half of the fiscal year.

TBZ – The Original, has been one of the oldest brands not only in jewellery, but amongst all other consumer brands in India. With a rich and rare legacy of over 154 years, the brand today is deeply embedded in the hearts of our customers. What has endured and endeared TBZ – The Original over five generations has been lasting trust. This trust emanates from value: a piece of jewellery purchased from TBZ – The Original is not just fashion, beauty and aesthetics, but also sound investment and lifelong asset. We have always been at the forefront introducing many industry-first initiatives that have re-defined the industry. These include our pioneering lifetime buyback on gold

and diamond jewellery, certified solitaire diamonds as well as introducing 100% BIS hallmarked jewellery. We were the first to offer lifetime guarantee for every single jewellery sold, something that is a rarity even today.

It was a satisfactory year for the Company. The total operating revenue for the year was ₹ 1,75,568.51 lakhs, a significant rise of 3.4 per cent. The rise is significant considering various challenges like increasing price of gold, depreciating Indian rupee as well as disruptive operating environment. While the growth in top-line was significant, the improvement in our margin was much more impressive. EBIDTA for the year increased to ₹ 7,309.87 lakhs from ₹ 7,053.18 lakhs and PAT for the year was ₹ 2,105.48 lakhs against ₹ 1,674.22 lakhs in the previous year. This was achieved through a focus on driving cost-efficiency. Another key factor during the year was better inventory management which resulted in finance cost declining by 20.9 per cent. Increase in sales of diamond jewellery, manufactured in-house, also contributed to margin improvement.

Looking ahead, we shall continue with our expansion plan to increase our retail footprint. Our growth strategy is to increase our footprint and widen

our reach across Tier 2 and Tier 3 cities through a mix of own-stores as well as franchisee stores. We also continue to invest judiciously in marketing and brand building as we increase our presence across the country.

Even as we pursue an aggressive expansion strategy, at the heart of our business model is DELIVERING VALUE – to our shareholders as well as all other stakeholders.

Our consistent and relentless focus on DELIVERING VALUE has today brought us to an inflection point. We have the right combination of people and proposition, design and brand, reach and presence that will propel our next phase of growth and expansion. As a young and confident India takes bigger strides into affluence and aspirations, we are convinced that this is just the beginning of a fruitful and rewarding journey. Thank you for your continuous faith and trust in TBZ – The Original.

Yours sincerely,

Shrikant Zaveri

CORPORATE SOCIAL RESPONSIBILITY

Director's Foreword

For us at TBZ, there's an inherent connection between achieving our core mission and contributing to a better world. Discovering new opportunities in the human service world means never being satisfied with what we've achieved. It demands determination to overcome failure and find solutions, no matter the odds. And it requires uniting our expertise with the creativity of NGOs and collaborative social work agencies around the nation.

At TBZ, we hold steadfast to our long-standing values of integrity,

excellence, and respect for people. We strive to create a culture that fosters engagement and teamwork, rewards diligence and ethical action, and inspires creativity.

This same vision and resolve drive all our efforts to improve life for the people we touch. We're increasingly using our assets, expertise, and passion to find sustainable solutions to women empowerment challenges, expand access for women who are in distress and need rehabilitative services, and strengthen communities.

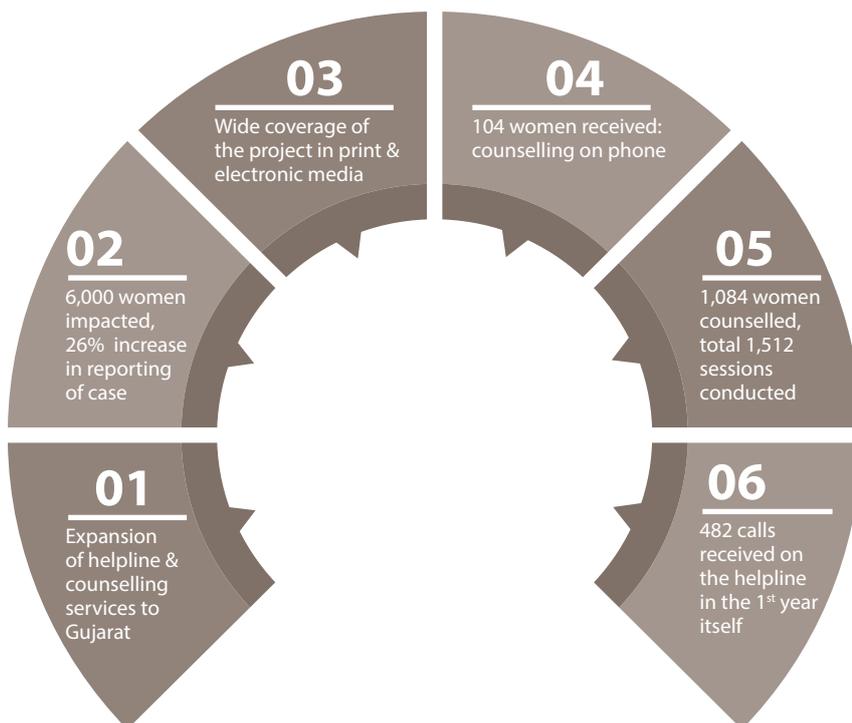

It has been an exceptionally rewarding year as we were able to expand our flagship project PANKHI to the state of Gujarat and with the help of our partners extend services to other parts of Maharashtra too. Also, we have been able to foster a positive attitude of employee giving and it's great to see that corporate social responsibility and personal social responsibility go hand in hand at our Company.

Project Pankhi

The project aims at providing counselling and rehabilitation to the women victims of domestic violence through a central helpline (PANKHI) counselling and face-to-face counselling services in accordance with The Protection of Women from Domestic Violence Act, 2005.

Our partners for implementation were Stree Mukti Sanghatana (Parel and Chembur), Bharatiya Stree Shakti (Santacruz and Borivali), TBZ Pankhi Centre (Kandivali), Women's Action Group (Ahmedabad) and Baroda Citizens Council (Baroda).

Achievements of FY 2017-18 were:

- 21% increase in the number of cases registered at the Community Centres (853 cases in April 2016 – March 2017 increased to 1,080 cases in April 2017 – March 2018);
- Through the campaigns and events held at various communities and TBZ showrooms across Mumbai, the project's impact reached approximately to 4,000 people;
- 104 survivors of violence received support through the Pankhi helpline out of which 23 women also received face-to-face counselling;
- A full-fledged TBZ helpline service 8767000000 is now in place, apart from that a new toll free number was also launched to provide victims with telephonic counselling, pan-India;
- To scale up the operations of the project, Project Pankhi was launched in Gujarat and two NGOs each from Vadodara and Ahmedabad are empanelled for providing counselling and awareness regarding Domestic Violence;

- Project Pankhi got covered in print media of all languages. Also various radio channels promoted snippets of the project.

1. Running the Community Centres in four vicinities of Mumbai & Expansion in Gujarat

Data of our crisis intervention and counselling services

A. Clientele:

In this year in the six vicinities that we had our project implementation, we were able to reach out to 1,080 clients. Of these, 920 cases (86%) were referred by the community leaders. The other 160 cases were referred by staff of NGOs, former clients, self, helpline, campaigns, etc.

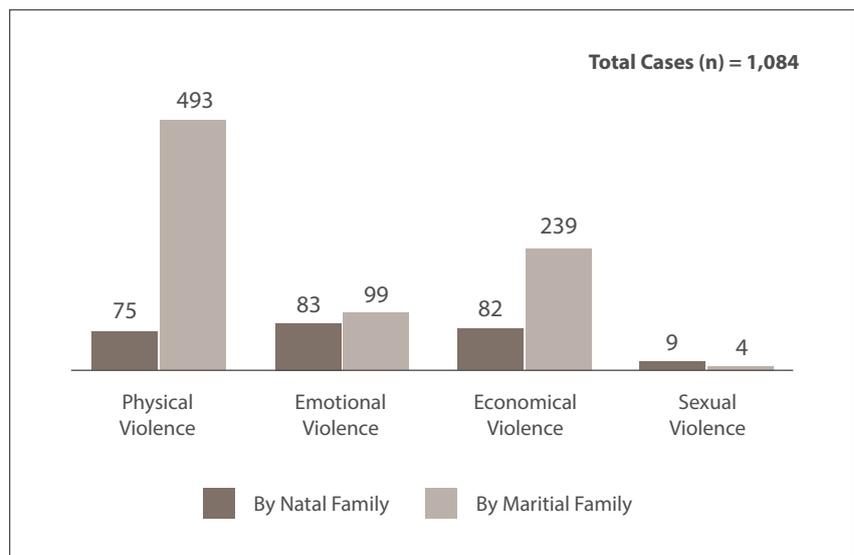

Diagram showcasing the forms of violence on women counselled

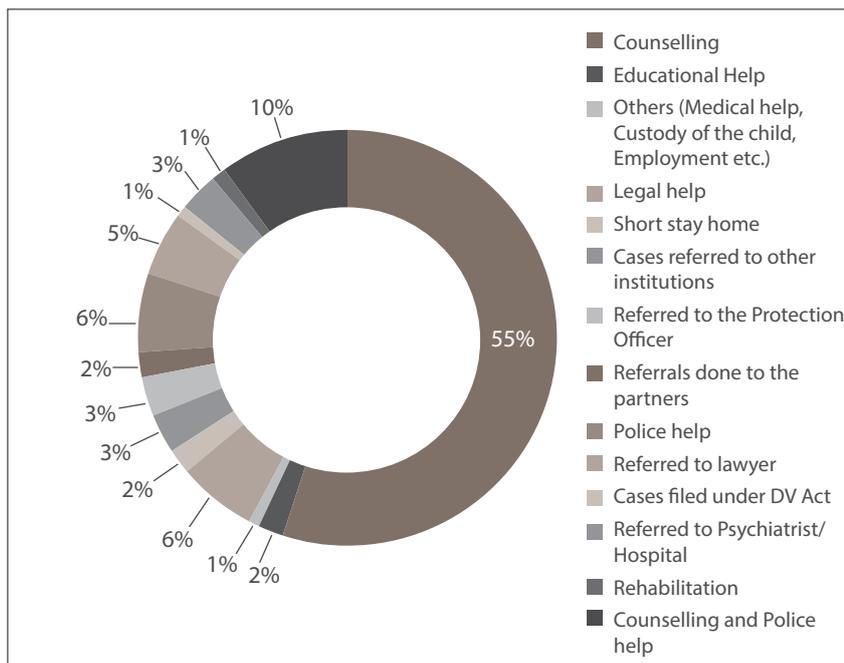

Diagram showcasing the services provided by the Counsellors in Community Centres

B. Intervention Provided:

1,512 individual sessions were conducted in total. In some cases, women required more than one counselling session. 760 joint counselling sessions were held between survivors of violence and the perpetrators (their spouses or marital/natal family members) to help the woman negotiate what she wanted as an outcome, whether it was reconciliation, separation, alimony, legal processes, etc. 540 sessions were devoted to the follow up of other on-going cases.

2. Sessions with Partner Organisations

We had conducted training for our Partner Organizations Baroda Citizens Council and Ahmedabad Women’s Action Group in the month of Feb-18 in Baroda and Ahmedabad respectively. The topic for the training was counselling. We had the staff and the counsellors of the Organizations that were present for the training.

3. Awareness-raising Events and Campaigns

Awareness programmes were conducted in the schools, society, communities, offices, community centres on gender-based violence and the help that is available through these sessions. Awareness sessions were also conducted at the TBZ showrooms with the customers in Mumbai. TBZ Showroom staff in Mumbai & Gujarat, was also made equipped to handle queries of women approaching to seek help through helpline.

Helpline number was promoted through press releases also in regional and English language dailies. Pankhi has been promoted on Facebook and Instagram page. Apart from the social media promotion, Tent Cards have been placed at every TBZ Showroom and a Pankhi leaflet is attached with every bill card that is been issued to customers.

The project outreach has been able to target women, children, men, students of schools and colleges for 63 in sessions in total.

The table below shows the number of people we have been able to reach through our project.

Women’s Day Campaign

Under the awareness campaigns, we conducted a Women’s Day Campaign on

the 8th March, 2018 to celebrate the event. We conducted a session on Domestic Violence at the Community Centre at Nallasopara where 81 women were present and we also conducted a session at the Nariman Point Office with the TBZ Staff where 40 Women were present and our Domestic Violence Survivors were called to share their story. It was a very moving session for everyone.

4. Pankhi Helpline

In FY 2017-18, total calls received were 483 in total. The Table below

shows the calls of 104 women received from April-17 to Feb-18. The assistance that has been provided varies from the client to client as they were given telephonic counselling, police and legal help, rehabilitation and so on.

The phone number was promoted through TBZ Marketing Channels & Partners’ website. Many clients were comfortable with approaching an organisation for help through it.

Paper Boat

The Paper Boat Project, started in FY 2016-17, is an in-house mentorship programme, which gives individuals an opportunity to design the future of young children as their mentor, teacher and a playful friend. As a part of the same, a CSR Day was conducted at TBZ Ltd. corporate office and the employees of the Company were motivated to volunteer and be mentors of children studying in municipal school of Worli area & Colaba area of Mumbai district, and belonging to underprivileged sections of the society. Total 25 employees took part in this initiative. So far, five sessions of the same has been conducted in FY 2017-18.

Testimony by the Company's CFO & Paper Boat Volunteer: Mr. Saurav Banerjee

"TBZ's noteworthy effort of actively participating in the PAPERBOAT PROJECT, is conceptualised around a voluntary involvement of its employees. I am privileged to be one of several of us, who are mentoring some very bright and knowledge-hungry children, who are the future of our country, in fact the future of humanity – by moulding a child's thoughts and subtly giving it a sense of direction along the path of righteousness. Children and their minds are vulnerable and delicate and it helps immensely when a mentor and a mentee are given an environment to build a bond of trust, friendship & affection. The uniqueness of the Paper Boat project is that the giver (i.e. the mentor) is also a receiver, because the experience of guiding a child, more so a hitherto unknown child, is something that outlasts all other experiences – it's a blessing".

Project Breast Cancer Awareness and Aid Programme

TBZ Ltd. collaborated with Cancer Patients Aid Association - Mumbai & Pune, which works on the concept of Total Management - from the time the cancer is diagnosed, through treatment and family support and finally rehabilitation.

1. As a part of the same, TBZ Ltd. adopted Breast Cancer Awareness and Aid Programme which aimed at financial assistance towards medical treatment.
2. Interpreted and imparted education about the illness to the patient and patient's family members.
3. Extended guidance, counselling and emotional support to the patients to help them come to terms with the illness and to infuse hope and an optimistic attitude.
4. Institutional, hospital and home visits.
5. Conducted five Cancer Detection camps in underprivileged areas of Pune & Mumbai districts.
6. Made arrangements for prosthesis, ambulance etc.
7. Social rehabilitation of the patient was also looked into by the partner organisations.

Around 200 women were impacted directly through this project.

Employee Giving & Other Initiatives

Employees of the Company showcased personal social responsibility and gave back to the society:

1. They contributed to the environment on 5th June - World Environment Day by planting trees and cleaning the vicinity through pan India showrooms across the country.
2. A blood donation drive was conducted on 14th June - International Blood Donor's Day for those in need. In total 43 employees donated blood.
3. The joy of giving week was celebrated from 19th-22nd December, at the corporate office and NGOs like Akansha, Aseema and Kshitij, were welcomed to set up stalls showcasing merchandise made by their clientele and the employees purchased to make a difference.
4. As part of the joy of giving week, employees also collected various toys, stationery and food items to donate to Wishing Well and to contribute to make lives better for those who are less privileged. Wishing Well distributed the collected items to the Paediatric Ward at GT Hospital, Bal Jeevan Trust & Apunka Club in Mumbai district.
5. On 18th January, TBZ employees conducted an anti-tobacco session at Beggars Home for Men and distributed old unused uniforms of TBZ. Total 100 men were present at the session and received new clothes.

MANAGEMENT DISCUSSION AND ANALYSIS

GLOBAL ECONOMY

FY2018, can be described as a year of paradox. It was good on the economic front but rising geo-political risks, fears of protectionism, trade-wars and mounting uncertainties, clouded the outlook. In CY2017, more than 2/3rd of the countries around the globe witnessed a higher GDP growth, increasing the overall global growth rate to 3.8 per cent, according to IMF. This synchronous recovery was responsible for the global economy posting its highest growth rate since the last decade. A decade marred by the financial crisis erupting in the wake of the US sub-prime crises, sovereign defaults in EU, and more recently Brexit and the post exit problems. Aggregate demand across the globe had dipped in this decade, as investment-led demand remained muted and consumption growth had contracted. US led the growth amongst the advanced economies in FY2017.

However, America First policies announced by President Trump within weeks of assuming office in January 2017 saw fears of protectionism engulfing the globe. Many of his administration led policies did not go down well with several other countries. In the latter half of FY2018, rise in tariffs, in certain commodities spurred fears of retaliation by other countries and protectionism started becoming a real threat. Civil strife in Syria continued with problems accentuated in South China Sea. Sabre-rattling by North Korea and US also caused anxiety all around.

A rebound in global trade along with higher capital investments in developed countries, led by the US was responsible for the higher global growth in FY2017. South and East Asia continued to show firm trends. While the short-term growth prospects continue to remain good, the rising economic risks, including a rise in the probability of trade wars between major countries could reverse recent developments. IMF has pegged the global growth around 3.9 per cent for FY2018.

INDIAN ECONOMY

Indian economy continued to remain amongst the top three fastest growing economies. This was despite the fact that GDP growth in FY2018 slipped to 6.6 per cent in FY2018 as compared to 7.7 per cent reported in the earlier year. This lower growth was attributed to a host of factors, including stretched balance-sheets of India Inc., increasing non-performance assets housed by Indian Banks and muted investment demand, especially in the first nine months of the year. The last few months, in the second half of the year, saw crude prices rising steadily.

Reforms, however, continued in full swing. Goods and Services Tax (GST), ushered in 1st July, 2017 was the biggest change brought about in the Indian economy in FY2018. The Insolvency and Banking Code 2017 was amended in FY2018 to deal with

the NPA problems and strengthen the balance sheet of banks. RBI, the Government continued with its initiatives of bank recapitalisation. For the property sector, RERA was implemented across states. For the first time in 14 years, the Sovereign rating of the country was upgraded. Moody's Investors Services raised the credit rating from Baa3 to Baa2. India also leapt 30 ranks to be rated at 100 out of 180 as per World Bank group's flagship report, 'Doing Business 2018'. The Government also simplified online application for industrial licence.

The coming year is expected to be better. Index of Industrial Production for the first 11 months of FY2018 is estimated to have recorded a 4.3 per cent rise over the same period in the earlier year. What is noteworthy is the sharp rise witnessed in the capital goods sector in January and February, indicating a revival in investments in the economy. The IMF has forecast a GDP growth of 7.4 per cent in FY2018. The prediction of a normal monsoon, third time in the row is expected to boost consumption demand which will also be aided by the Government's thrust on galvanising the rural sector. Commodity cycle is improving with metal prices showing a firm trend. Investment demand is expected to pick up more projects being announced by the public sector companies. The improved results of Corporate India during the period Jan-March FY2018 augurs well for the economy. The resolution of some of the large NPAs may free capital in the banking sector which in turn could see a pickup in credit growth.

Factors of concern are the strengthening of the US dollar against the Rupee since the last few months in FY2018, rising crude prices, which are hovering between USD 65-70 per barrel, geo-political tensions and the widening trade deficit which has been witnessed from the beginning of FY2018.

GEMS & JEWELLERY INDUSTRY REVIEW

Indian Gems and Jewellery is one of the largest in the world with a market size of USD 60 billion in FY2017 as per ICRA's estimate. Currently accounting for nearly 29 per cent of the global jewellery consumption, it is also one of the fastest growing industry and is expected to reach USD 100-110 billion by FY2021-22. The Indian Gems and Jewellery industry accounts for nearly 7.4 per cent of the GDP and 15.4 per cent of the total merchandise exports.

One of the fastest growing industry, it provides employment to nearly 4.6 million people. This is more than twice the number of 2.08 million employees estimated in FY2012. The industry is a major forex earner for the country contributing to USD 32.71 billion in FY2018. India is also the world's largest cutting and polishing centre for diamonds, ranking amongst the top three. According to ICRA, the industry exports nearly 93 per cent of the cut and polished diamonds.

The industry is fragmented having an estimated 3,00,000 players of which the majority are small players.

DOMESTIC JEWELLERY INDUSTRY UPDATE

Demand

Gold jewellery in the first three quarter of FY2018 registered a healthy higher single digit growth in the wake of higher days in the marriage season, stock up before the roll-out of GST and pent-up demand. According to ICRA, gold jewellery in CY2017 grew by 9 per cent in value terms and 12 per cent in value. However, in the last quarter of FY2018, January-March, demand was tepid. Tighter bank credit, higher scrutiny of borrowers in the wake of rise in banking frauds saw a drop in demand. Sales during Akshaya Tritiya, in April 2018 were lower than last year. Earlier in the year, Dhanteras sales did not pick up despite relaxation of KYC norms and laws of Prevention of Money Laundering (PMLA) applicability rescinded. Government new policies also impacted sales and jewellers in face of uncertainties did not import as much gold as was expected. The rise in stock market prices as also a record number of IPOs in FY2018 saw investment demand remaining muted. ICRA has forecast a drop in 2-4 per cent in CY2018.

FY2019 indeed may be a challenging year for gold and diamond jewellery. Higher farm products due to a normal monsoon, leaving higher surplus in rural side will provide a positive thrust to demand. Higher liquidity following better minimum support prices announced by the Government, rural thrust and rising income of Government employees following the wage hike for central government employees and pensioners. The sustained economic growth in the country aided by a rise in working population with more savings is expected to ensure a longer term demand.

Exports and Imports

This was not one of the best years for Gems and Jewellery exporters. Lower offtake following demand shrinkage in UAE, Hong Kong and the US saw a dip in overall exports. Hong Kong and UAE accounts for more than 30 per cent of the total exports with US accounting for nearly a fourth. Import duty levied in Middle East, topped by a 3 per cent GST levied in Dubai in a bid to increase manufacturing, were the contributory causes. The net exports of Gems and Jewellery, as estimated by Gem Jewellery Export Promotion Council (GJEPC) in FY2018 was USD 32.71 billion which was lower by 11.29 per cent in USD terms.

Drop in the exports of gold medallion and coins and silver jewellery impacted the overall exports of the sector. Gold medallion and coins exports, saw a massive dip to USD 1.97 billion as against USD 5.4 billion mirroring a decline of 64 per cent.

Cut and polished diamonds which contributes to the bulk of the exports (USD 23.37 billion) showed a marginal increase of 4 per cent. This is one sector which has shown a consistent rise in the last four years. Gold jewellery on a gross level was close

to USD 10 billion, showing a double digit rise of 10.9 per cent, compared to FY2017.

Imports

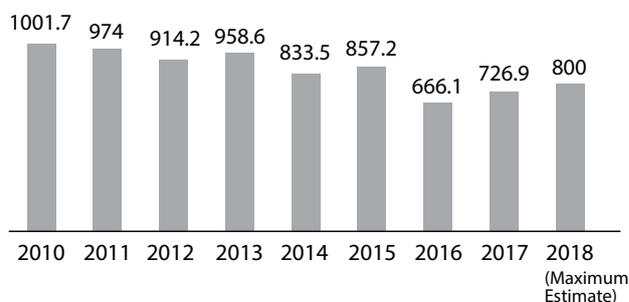

Soft prices of diamonds saw the Indians import higher level of rough diamonds. Imports in FY2018 was in fact the highest in the last 10 years. While the quantity imported was higher at 23.5 per cent, the total import bill was higher by just 6.35 per cent. The total imports of roughs was higher at ₹ 1,21,746.85 crore compared to ₹ 1,14,476.40 crore. In dollar terms, the imports were higher by 10.5 per cent at USD18.88 billion.

The overall imports of gold, rough diamonds, polished diamonds and others as per GJEPC's estimates were USD 31.516 billion, a near double-digit rise in dollar terms.

DOMESTIC JEWELLERY

The Indian Gems and Jewellery market comprises gold and silver jewellery, diamonds, coloured stones and pearls, among others. Gold jewellery demand continues to dominate the market, followed by diamond jewellery and platinum jewellery. The shifting trend of customers seeking product diversity, value for money, quality assurance and differentiated buying experience has led to organised players expanding their retail presence to widen reach.

OPPORTUNITIES & THREATS

The affinity for gold by Indians particularly women, is legendary. Sales of jewellery in India, particularly gold has traditionally been resilient to other economic factors. 60 per cent of the demand emanates from the rural markets where gold is seen as an effective means of savings. Its easy liquidity in times of need and the flourishing business of gold loan companies bears testimony. Sales are only effected as a measure of distress.

Major Growth Drivers

Rise of Woman Power

With more and more women now vying with men in various sectors, the increase for regular wear, office wear, designer wear and occasional party wear jewellery is on the rise. This is more so in the urban centres. Branded jewellery is being favoured though in quantity terms it is estimated at around 5 per cent.

Hallmarking has aided the purchases where ornaments are seen as a means of self-expression especially in case of economic independent ladies. In case of rural segment, gold is still seen as a traditional investment and hoarded for a crisis period. A good monsoon and higher rural income sees better demand for rural jewellery.

Emotional and Cultural

Fascination for gold and jewellery and its regular purchase runs through centuries and is almost an integral part of the Indian lifestyle. Even amongst the poor, it is a tradition to give some gold to the daughter and son-in-law. Buying gold on auspicious occasion, festivals and gifting on memorable days is very much in vogue.

Stable Asset Class

Gold has historically proved to be a stable asset class, an inflation beater providing comparable returns provider over a longer period of time despite the fact that there is no regular income generated by investing in this class. ETFs and Gold bonds have not really taken off.

E-commerce

E-commerce is slowly but steadily increasing its penetration. Casual wear jewellery is often bought online. Buying brands has boosted the trust amongst the upwardly mobile class. Discounts and access to wider designs in a shorter period of time has helped. While on-line sales are still nothing to talk about, it will be making an impact over the next few years as youngsters with credit cards will catch the fancy of on-line, relatively high value shopping.

Digital Gold

Globally block-chains using gold bitcoins has been experimented. Given that the gold trading is quite high trading on London OTC market which accounts for nearly three-fourths of the global trade and averages around 400 ounce bars. US Commex and Shanghai are the other markets where gold is traded.

While this trend has yet to take off like the stock market or debt market trading, having digital gold in a bank, akin to that of a demat shares is likely to become popular once it meets Central Banks of various countries approval.

Government Support

Government's various initiatives to treat jewellery exports as a focussed area for promotion is helping the industry. Especially its measures like Make in India, Design India, and Brand India. Besides investing in promoting investments, it is also doing its mite in upgrading technology and skills to promote Indian jewellery in the global markets.

THREATS

Liquidity Crunch

Two defaults by major jewellery chains and increased frauds in the banks is likely to see a higher oversight on working capital funding. Being a highly capital intensive business, higher

interests is expected to erode margins and loans from Banks taken for conversion will result in longer conversion time. Loss of jobs in the industry has become a grim reality.

Synthetic Diamonds

The threat of synthetic manufactured diamonds is becoming serious with discerning customers raising questions of the authenticity and origin of the diamonds.

Fast-changing fashion trends

Often seen as a fashion and lifestyle statement, jewellery trends are susceptible to changes. Global trends often play a role in influencing demand. 14k and 18k gold jewellery once shunned are increasingly finding fashion amongst urban purchasers. Globally also more money is increasingly being spent on electronic gadgets like mobile phones, which are used to convey lifestyle statements. The me-too syndrome has resulted in lesser money being spent on diamond jewellery.

These changing trends require the players to be more agile and responsive to the constantly evolving trends and consumer preferences. Imitation and artificial jewellery is also being favoured albeit by a small class, especially office-goers in view of the increased level of crimes.

Regulatory Framework

New policies often tend to unsettle industry and cause a blip in the trade. Increased surveillance by banks in wake of the frauds in the system may impact working capital to exporters and impact exports in the coming year.

COMPANY OVERVIEW

Tribhovandas Bhimji Zaveri Ltd (TBZ – The Original, hereinafter also referred to as the Company or TBZ) is a leading player in the organised jewellery markets with a legacy of dating back over 150 years. It was the first jeweller to offer buy-back guarantees for jewellery purchased through their stores in 1938. Backed by a strong pedigree, exclusive designs, innovative offerings, strong retail presence, focus on brand building and marketing and a committed team, the Company has emerged as one of the leading premium jewellery brands in the country.

With a combination of skilled craftsmen, world-class manufacturing facility and technology and strong focus on innovation, the Company manufactures unique high quality products, meeting highest quality standards.

The Company leverages its strong team of creative designers and skilled craftsmanship along with the modern research and computer-aided design to deliver products matching the latest trends and consumer preferences. The Company invests in training designers, mapping international trends and evolving global styles. TBZ also sources designs from international markets where required to complement its own collections. This ensures designers are well informed about the world trends and local tastes and preferences before introducing new styles and continue to launch new collections ahead of the market trends, year-on-year.

As a retail organisation, the Company is focussed on translating footfall into wallet share. Retail staff is well trained, highly motivated and sensitised to customer requirements and make every effort to ensure jewellery purchasing is a unique experience for customers.

The Company's operations are spread across 26 cities in 11 Indian states with a retail space of 1,10,666 lakh sq.ft. It has a total of 37 showrooms including 5 'franchise owned franchisee operated' stores.

As a public limited entity, the Company's focus is on good corporate governance, infusing high level of transparency in reporting, undertaking stakeholder focussed initiatives and imbibing ethical business practices.

Product Portfolio

TBZ has an unparalleled design team which has a strong pulse on the consumers changing preferences. They are well versed with the global trends and have capabilities of making unique designs which combines with the best of traditions and contemporary tastes. The Company is a design trend-setter in the market. TBZ – The Original creates jewellery that appeals to the hearts and has instant emotional bonding. A wide product range appeals to consumers with varied taste, across age and occasions.

Differentiating Capabilities

Brand Name

With a legacy of over a century and half, the Company has built a strong brand which has over the years become a household name. TBZ resonates with weddings and is the 1st port of call for jewellery amongst traditional households. Relevant marketing and branding efforts and focussed customer engagements through various promotional activities has increased the brand recall and has built strong emotional bonding with customers. The Company is also leveraging its digital media presence to expand reach on social media.

Asset-light Model of Expansion

TBZ has placed a strong focus on asset-light expansion through franchise model. It currently has 5 franchise stores and will continue to explore more opportunities by targeting to open new franchise stores in future.

Exclusive and aspirational designs and stringent quality

TBZ – The Original stands for the endurance of an enterprise that is built on customer-centricity. Design, exquisite craftsmanship and unparalleled precision is the bedrock of its offerings. The Company is reputed for its designs which are captivating, striking and inimitable. Designs are customised to suit the local taste in different regions of the country along with the introduction of 8-10 new jewellery designs every year to meet the fast-changing trends in the jewellery space. The Company also ensures that stringent quality check to ensure the purity, value and finish of the product. The Company boasts of a well trained and experienced team of 35 designers, that includes 16 specialised CAD engineers.

In-house production capabilities of high value diamond jewellery ensures highest quality standards and global benchmarks are followed which has ensured customer loyalty over generations.

Wedding Jewellery

Indian weddings without jewellery is unimaginable. The strong affinity of the brand build over the years makes TBZ the first destination of choice for families. Many of whom have been patronising for generations. Nearly 65% of the total sales of TBZ are wedding related. This is an advantage as wedding jewellery purchases are non-discretionary in nature and not directly co-related to the economy. This allows the Company to be in a sweet spot and given its strong brand allows premium pricing.

Manufacturing Capabilities

The Company has a state-of-the-art manufacturing facility in Kandivali, Mumbai. It has annual capacity of processing around 2,00,000 carats of diamond jewellery (double shift), refine 4,000 kg of gold and manufacture 4,500 kg of gold jewellery components. The testing facilities allows it to maintain stringent quality standards and attain high levels of productivity and operational efficiency.

Ethical Sourcing

We procure diamonds from conflict-free sources and adhere to the guidelines of Responsible Jewellery Council (RJC).

Unique Shopping Experience

Just as every piece of jewellery created by TBZ – The Original is a striking symbol of aesthetic appeal, the highest quality standards and excellence, its stores are also instrumental in enhancing the aura of the brand. The large and modern stores match the best of global standards and the jewellery is carefully displayed to bedazzle the eye and entice the heart. The Company has an uncompromising commitment of providing its customers a unique experience through its warm and personalised attention. The Company follows a customer-centric business philosophy across the value chain which is aimed at driving maximum value for all stakeholders.

Efficient Inventory Management

Besides innovative collections, exquisite designs, manufacturing excellence, extraordinary appeal, extraordinary store experience, ensuring freshness and managing the inventory is pivotal. A number of initiatives are taken to right size inventory for both gold and diamond jewellery to ensure that the designs are fresh, new and match the expectations of customers. Inventory management also plays an important role in management of its working capital requirement.

Research and Development

Design, service and quality form the core of success in any consumer-centric retail business. More so in jewellery business. Being a large and respected jewellery brand, the Company houses a good R&D centre. Absorption of new technologies

and constant emphasis on knowledge management, enables the Company to differentiate itself from competitors in terms of design, service and quality.

Growth Strategy

The management is consciously trying to increase its footprints on a pan India basis to target new customers beyond the metros and Tier 1 cities. It is working on a strategy to attract higher store foot-falls and increase share of diamond jewellery and focus on same-store sales growth. It plans to aggressively pursue a strategy of opening new stores through a mix of own and franchisee stores. The Company's own store will be a mix of large format stores and small format stores. Franchisee stores will be in Tier 2 and Tier 3 cities. The objective is to take the retail outreach to 1,50,000 sq. ft. from the existing 1,10,000 sq. ft. across 37 retail stores in 26 cities, by touching all price points in the jewellery business.

Increased focus on sustained high margin products: This is being done by optimising cost on one hand and improving productivity and efficiencies on the other.

Inventory rationalisation: The Company focusses on optimisation and rationalisation of inventories to enhance profitability through improved working capital.

'Kalpavruksha' Easy Pay Plan: 'Kalpavruksha' has proven to be a great success for the Company, as it not only ensures purchases in the form of redemption but increases purchase value as customers generally tend to purchase 50-60% higher than the scheme investment value at the time of redemption.

MANAGEMENT OUTLOOK

India is a largely untapped market for aspirational brands and the Company foresees an upsurge in demand trends particularly in Tier 2, Tier 3 cities, as also in larger cities, particularly in the Northern parts of the country. With significant changes in the regulatory scenario, GST and other statutory changes, the preference for the organised sector and particularly reputed brands which are trustworthy is likely to improve.

The improving macroeconomic scenario and encouraging consumer demand is likely to improve the demand in future. The Company will continue to work on its retail strategy to attract higher store footfalls, focus on same-store sales and increase the sales of diamonds jewellery.

Strict compliance in a dynamic regulatory landscape remains the key.

The Company remains confident and optimistic of the market potential and plans to aggressively open new stores through a mix of own and franchisee stores. This will enable greater pan-India penetration and allow the Company to tap into the latent pockets of demand in the hinterland and achieve profitable growth in the coming years. The asset-light model of growth by the Company along with the focus on cost optimisation and enhanced productivity of the existing stores will help improve the profit margins and increase shareholders' value.

Operating Revenue

The Company's total operating revenue in FY2018 was higher by 3.4 per cent to ₹ 1,75,568.51 lakhs as against ₹ 1,69,769.20 lakhs in FY2017. The growth has to be seen in light of the rise in gold prices, depreciating rupee and the not-so-favourable environment including the agitations by trade following the Government's new policy initiatives.

Reserves

The Company's Total Reserves increased from ₹ 39,924.98 lakhs as on 31st March, 2017 to ₹ 41,994.05 lakhs as on 31st March, 2018. It comprises Securities Premium, General Reserve, Surplus in Profit and Loss and other comprehensive income.

Borrowings

Total Debt witnessed an increase of 3.6% from ₹ 54,891.34 lakhs as on 31st March 2017 to ₹ 56,864.78 lakhs as on 31st March 2018. Debt/ Equity ratio improved/ from 1.18 as on 31st March, 2017 to 1.17 as on 31st March, 2018.

RISKS AND CONCERNS

Economic Risks

A slowdown in general economic scenario, rising interest rates impacts the overall performance of the jewellery business.

Mitigation Measures

The management is of the view that the strong rebound in the GDP predicted for FY2019 will favour the jewellery markets. Prediction of a normal monsoon, with expected rise in the farm income should result in better demand for jewellery from the rural side. However, the risks from drop in overall sales of gold jewellery due to higher gold prices and the resistance of customers to defer discretionary spends may neutralise the expected surge of rural demand.

Margin Mitigations

Volatility in the commodity prices and constant changes effected in the overall regulatory framework affects planning and pose a risk to the Company's margins.

Mitigation Measures

Enhancing the stakeholders' value is one of the top priorities of the management. Towards this end, the Company continues to hold a tight control on costs, including overheads. Pursuing a multi-pronged strategy, the Company is laying a sharp focus on growth through a judicious mix of own and franchisee stores. Long-term relationships with major suppliers and economies of scale resulting from bulk purchases and leveraging the gold loan schemes to procure a significant part of its inventory has helped the Company in effectively countering the vicissitudes of a volatile commodity market.

Competition Risks

The jewellery sector attracts huge competition owing to significant presence of unorganised players.

Mitigation Measures

The Company's brand goodwill, wide and unique product portfolio, quality assurance and ability to constantly control costs enables it to enjoy significant brand loyalty. To attract

prospective buyers, the Company undertakes significant promotional activities and launches attractive offers. Customer-centric initiatives and customisation further assists in higher sales conversion.

Raw Material Risks

Unavailability of raw materials on time and at a low cost may impact production and profitability.

Mitigation Measure

The Company's robust central procurement policy and professional team facilitate efficient inventory management. Long-term relationships with major suppliers and procurement in bulk secures supply at guaranteed rates. In addition to this, the Company leverages the gold loan scheme to procure a significant part of its requirements.

HUMAN RESOURCES

Exquisite and extraordinary designs, modern technology, intricate craftsmanship and innovative collections that spell class provide our brand seeped in legacy of trust an unrivalled touch. The Company has a diverse employee base with unique creative talent, craftsmen, technical knowledge and functional proficiency. The strong talent pool enables the Company to stay ahead of competition as we cater to the evolving and aspirational desires of the new-age consumers.

The Company's business also involves dealing with diverse high-end customers, many of whom are visiting our stores to purchase high value jewellery that will add a sparkle to the most treasured moments of their lives. The retail teams are trained to deal with customers in a professional manner yet ensure that the warm personal touch is not lost. Extensive training is provided to ensure that the customer's visit to any TBZ – The Original store remains a pleasant and memorable experience.

Our talented human capital is an integral contributor to the success of the Company. The HR department, therefore plays a vital role in various aspects of organisational functioning

from policy formulation and setting up systems and processes. The well-defined HR policies take care of both personal and professional growth of our employees. Policies nurture a culture that leads to alignment of employee goals with that of the Company. The Company conducts regular training seminars / workshops for the employees to ensure skill upgradation and personnel development. As on 31st March, 2018, the Company had a total of 1,261 employees.

INTERNAL CONTROLS

The Company's internal control systems are commensurate with the nature, size and complexity of its business operations. The robustness of this control system facilitates the Company to ensure accuracy in recording financial information, prevent unauthorised use of assets and comply with all statutes and laws. The Company also has hired a well-known audit firm for conducting its internal audit. The firm while adequately monitoring the operations presents its observations and recommendations to the Management and the Audit Committee. It also undertakes the responsibility of reviewing and strengthening the control measures. Besides, for securing and protecting its sensitive data, the Company has also invested in state-of-the-art information technology.

LLP, Chartered Accountants (Firm Registration No. 101248W/W-100022), who were Statutory Auditors of the Company till the conclusion of 11th Annual General Meeting of the Company along with their group firms have completed their continuous term of ten years as statutory auditors of the Company and as per the provisions of Section 139 of the Companies Act, 2013, are not eligible for re-appointment as Statutory Auditors of the Company.

Accordingly, in compliance with provisions of Sections 139, 142 and all other applicable provisions of the Companies Act, 2013 read with the applicable rules of the Companies (Audit and Auditors) Rules, 2014, (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Board of Directors of the Company, at their Meeting held on 2nd May, 2018, on the recommendation of the Audit Committee, have recommended appointment of M/s. S R B C & CO LLP, Chartered Accountants (Firm Registration No.324982E / E300003), as the Statutory Auditors of the Company, for a term of consecutive five years commencing from the conclusion of 11th Annual General Meeting of the Company upto the conclusion of 16th Annual General Meeting of the Company, subject to ratification by shareholders annually at every Annual General Meeting, at a remuneration as may be mutually agreed to, between the Board of Directors and M/s. S R B C & CO LLP, plus applicable taxes, out-of-pocket expenses, travelling and other expenses, in connection with the work of audit to be carried out by them.

The Company has received letter of eligibility to be appointed as auditors under the relevant provisions of Chapter X of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 from M/s. S R B C & CO LLP, Chartered Accountants (Firm Registration No. 324982E / E300003). In terms of Rule 4(1)(d) of the Companies (Audit and Auditors) Rules, 2014, the auditors have confirmed that in the items related to professional matters of conduct as per 'Annexure - A' forming part of the above stated letter, there is only one matter of professional misconduct in respect of a partner of the firm, where proceedings with the Disciplinary Committee of the Institute of Chartered Accountants of India are currently going on. Other than the above, there are no proceedings pending against the firm or any of its partners, as of 27th April, 2018, the date of letter, with respect to professional matters of conduct.

The Ministry of Law and Justice (Legislative Department) on 3rd January, 2018 published the Companies (Amendment) Act, 2017, No. 1 of 2018, an Act further to amend the Companies Act, 2013, in specific relation to amendment to Section 139 of the Companies Act, 2013, which state that in Section 139 (1), the first proviso shall be omitted. The first proviso state that "provided that the Company shall place the matter relating

to such appointment for ratification by members at every Annual General Meeting". The proposed Amendment is yet not notified as on the date of signing of this Directors' Report and hence the Company has considered the requirement of such appointment of Statutory Auditor for ratification by members at every Annual General Meeting. Once the specific amendment is Notified by the Ministry of Corporate Affairs the requirement of ratification by members at every Annual General Meeting will be done away by the Company.

Accordingly, consent of the members is being sought for appointment of Statutory Auditors as per the proposal contained in the Resolution set out at item no. 4 of the Notice.

None of the Directors and Key Managerial Personnel of the Company and their relatives, are concerned or interested financially or otherwise, in this Resolution.

The Board recommends the Ordinary Resolution set out at Item No. 4 of the Notice for the approval of the Members.

Item No. 5

This is enhanced by the fact that we offer a buy-back guarantee on our jewellery, subject to certain conditions. This buy-back guarantee was introduced way back in 1931 and we were the first retail jeweller in India to do so.

We have a dedicated design team who can create the finest and most exquisite pieces of jewellery to suit any occasion, be it a grand wedding or the numerous festive occasions that are celebrated in India or an everyday wear jewellery piece that complements the working or business woman. We have a range of men's jewellery collections to cater to their preferences. All our designers are focused on developing new products and designs that meet customers' requirements as design uniqueness and differentiation distinguishes TBZ – The Original as a brand from other players in the industry.

III. Other information:

1. Reason for inadequacy of profits –

There was a slow-down in the jewellery industry in India during the current financial year due to frequent volatility in the gold price as well as lower customer sentiment and due to the regulatory changes effected by the Central Government, for example, no cash purchases above ₹ 2 Lakhs which impacted jewellery industry.

2. Steps taken or proposed to be taken for improvement / Expected increase in productivity and profits in measurable terms –

The Company is continuously working on retail sales strategy to attract higher store footfalls, increase the share of diamond jewellery and focus on same store sales growth. The Company plan to aggressively open new stores in the coming financial year through a mix of own and franchise stores. Own stores will be a mix of large format stores and mall stores in Metros and Tier I cities, while franchise stores will be opened in Tier II and tier III cities. This will help the Company to expand pan India presence and achieve profitable growth over coming years. The Company is also offering to the net savvy generation of online shoppers and customers daily wear, light weight lower price point jewellery on the E-commerce marketplace platforms through reputed players like Amazon, Flipkart and Snapdeal.

The Company has taken adequate steps to rationalize its inventory in terms of right sizing it and the benefits of the same shall accrue over the

current financial year and beyond. It has maintained strict control on its operating expenses. It has taken measures to reduce the debt cost by procuring its Gold requirements through the Gold on Loan model. This measure also ensures that the metal is protected from price volatility by way of a natural hedge process.

The above statement annexed with the notice is disclosed pursuant to the provisions of Sections 196, 197 and all other applicable provisions of the Companies Act, 2013 ('the Act') and Rules made thereunder read with Part II of Schedule V of the Companies Act, 2013 forming part of Item Nos. 9 to 11 of the Notice.

During the year under review, CRISIL has reviewed the Credit Rating on the long-term bank facilities of your Company at 'CRISIL BBB+/ Stable' (Reaffirmed) vide letter Ref. No. TBZPL/18209/BLR/061717651 dated 21st June, 2017 which is stated as follows:

| | |
|----------------------------------|-------------------------------------|
| Total Bank Loan Facilities Rated | ₹ 7,350 Million |
| Long-Term Rating | CRISIL BBB+/ Stable (Reaffirmed) |

Decrease in Inventories:

The inventory of your Company as on 31st March, 2018 has decreased by ₹ 540.80 Lakhs as compared to the inventory on 31st March, 2017. The decrease in inventory is due to inventory rationalisation.

Operations:

The operations of your Company are elaborated in the annexed Management Discussion and Analysis Report.

Hedge Accounting / Derivative Financial Instruments:

Embedded Derivative:

An embedded derivative is a component of a hybrid (combined) instrument that also includes a non-derivative host contract – with the effect that some of the cash flows of the combined instrument vary in a way similar to a standalone derivative. An embedded derivative causes some or all of the cash flows that otherwise would be required by the contract to be modified according to a specified variable. Your Company enters into purchase gold contract, in which the amount payable is not fixed based on gold price on the date of purchase, but instead is affected by changes in gold

prices in future. Such transactions are entered into to protect against the risk of gold price movement in the purchased gold. Accordingly, such unfixed payables (gold loan) are considered to have an embedded derivative. Your Company designates the gold price risk in such instruments as hedging instruments, with gold inventory considered to be the hedged item. The hedged risk is gold prices movement.

Derivative are initially measured at fair value. Subsequent to initial recognition, derivative are measured at fair value, and changes there in are generally recognised in profit and loss.

At the inception of a hedge relationship, your Company formally designates and documents the hedge relationship to which your Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes your Company's risk management objective and strategy for undertaking hedge, the hedging/ economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Commodity forward contract of NIL is outstanding as on 31st March, 2018 (31st March, 2017: 20 kgs was outstanding). Hedging loss is ₹ 9.99 Lakhs as on 31st March, 2018 (31st March, 2017: Mark to market loss of ₹ 1.16 Lakhs) is accounted in other expenses.

Related Party Transactions:

All contracts/ arrangements/ transactions entered by your Company during the financial year with related parties were in the ordinary course of business and on an arm's length basis. During the year, there are no materially significant related party transactions entered by your Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of your Company at large.

All related party transactions are placed before the Audit Committee and before the Board for their approval. Prior omnibus approval of the Audit Committee is obtained for the transactions which are of a foreseen and repetitive nature. The transactions entered into pursuant to the omnibus approval so granted are audited and a statement giving details of all related party transactions is placed before the Audit Committee and to the Board of Directors at their Board Meetings for their approval on a quarterly basis.

There are no material related party transactions which are not in ordinary course of business or which are not on arm's length basis and hence there is no information to be provided as required under Section 134(3)(h) of the Companies Act, 2013 read with Rule 8(2) of the Companies (Accounts) Rules, 2014.

Business Risk Management:

SEBI has come out with the circular on the requirement of constitution of Risk Management Committee of the Board as per the requirement of the Listing Agreement (Regulations). As per SEBI Circular Reference No. SEBI/LAD-NRO/GN/2015-16/013 dated 2nd September, 2015 issued by Securities and Exchange Board of India (SEBI) and as per the requirement of Regulation 21(5) of the Securities and Exchange Board

of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 shall be applicable to top 100 companies by market capitalization as at the end of the immediate previous financial year.

Accordingly, constitution of Risk Management Committee is not compulsory for your Company. To follow Corporate Governance in the right spirit, your Company has voluntarily constituted the Risk Management Committee of the Board. The details of the Committee and its terms of reference are set out in the Corporate Governance Report forming part of the Annual Report.

Your Company manages, monitors and reports on the principal risks and uncertainties that can impact its ability to achieve its strategic objectives.

Your Company has a robust Risk Management framework to identify, evaluate business risks and opportunities. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance your Company's competitive advantage. Risk Management Committee provides assistance to the Board of Directors in fulfilling its objective of controlling / monitoring various risks prevailing in the functioning of your Company in day to day life including the Gold Price Risk Management Policy of your Company as well as mitigating the risk on hedging in domestic as well as international market.

The Key Business Risks Identified by Your Company and its Mitigation Plan are as under:

(i) **Gold Price Fluctuation Risk:**

Prices of gold keep on fluctuating and in last one year there were huge fluctuations observed in gold prices due to various international factors and stringent domestic government policies. To mitigate this risk of gold price fluctuation your Company has started doing hedging in domestic market to protect your Company from the gold price fluctuation. Your Company's endure is to maximize procurement of inventory on gold loan as well as procurement of gold bar under gold loan scheme from various banks which will also help to reduce risk of your Company due to gold price fluctuation and takes care of natural hedging.

(ii) **Competition Risks:**

The jewellery industry is becoming intensely competitive with few organized sectors and majority of unorganized sectors in local area, with the foray of new entrants and many of the existing unorganized players adopting inorganic growth strategies. To mitigate this risk, your Company is leveraging on its expertise, experience and its created capacities to increase market share, enhance brand equity/ visibility and enlarge product portfolio and various tactical offers.

ANNEXURE 'D'

TO DIRECTORS' REPORT

Nomination, Remuneration and Evaluation Policy

The Remuneration Committee of Tribhovandas Bhimji Zaveri Limited ("the Company" or "TBZ") was constituted on 14th December, 2010 consisting of three Independent Directors. In order to align with the provisions of the Companies Act, 2013 and the Listing Agreement, the Board on 19th May, 2014 renamed the "Remuneration Committee" as "**Nomination and Remuneration Committee**".

This Nomination, Remuneration and Evaluation Policy (the "Policy") applies to the Board of Directors ("Board"), Key Managerial Personnel ("KMP") and the Senior Management Personnel of Tribhovandas Bhimji Zaveri Limited.

This Policy is in compliance with Section 178 of the Companies Act, 2013 read along with the applicable Rules thereto and Clause 49 under the Listing Agreement and in compliance with the Regulation 19 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Requirements, 2015.

1. OBJECTIVE

The primary objective of the Policy is to provide a framework and set standards for the nomination, remuneration and evaluation of the Directors, Key Managerial Personnel (KMP) and officials comprising the Senior Management. The Company aims to achieve a balance of merit, experience and skills amongst its Directors, Key Managerial Personnel (KMP) and Senior Management.

The Key Objectives of the Committee would be:

- 1.1. To guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel and Senior Management;
- 1.2. To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation of the Board;
- 1.3. To recommend to the Board on Remuneration payable to the Directors, Key Managerial Personnel and Senior Management;
- 1.4. To provide to Key Managerial Personnel and Senior Management reward linked directly to their effort, performance, dedication and achievement relating to the Company's operations;
- 1.5. To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage;

- 1.6. To devise a policy on Board diversity;
- 1.7. To develop a succession plan for the Board and to regularly review the plan.

2. DEFINITIONS

- 2.1. "**Act**" means the Companies Act, 2013 and Rules framed thereunder, as amended from time to time.
- 2.2. "**Board**" means the Board of Directors of the Company.
- 2.3. "**Directors**" mean the Directors of the Company.
- 2.4. "**Key Managerial Personnel**" or "**KMP**" means:
 - (i) Managing Director or Chief Executive Officer or the Manager and in their absence Whole-time Director;

REPORT ON CORPORATE GOVERNANCE

The Directors present your Company's Report on Corporate Governance for the financial year ended 31st March, 2018 as stipulated in Para C of Schedule V and all other applicable Regulation(s) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the disclosure requirements of which are given below:

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

Corporate Governance is the application of best management practices, compliance of laws and adherence to ethical standards to achieve your Company's objective of enhancing stakeholder value and discharge of social responsibility. The Corporate Governance framework includes corporate structures, culture, policies and the manner in which the corporate entity deals with various stakeholders, with transparency being the key word. Accordingly, timely, adequate and accurate disclosure of information on the performance and ownership forms the cornerstone of Corporate Governance. It is a journey for constantly improving sustainable value creation and an upward moving target.

At Tribhovandas Bhimji Zaveri Limited (TBZ), Corporate Governance is all about maintaining a valuable relationship and trust with all stakeholders. We consider stakeholders as partners in our success, and we remain committed to maximising stakeholders' value, be it shareholders, employees, suppliers, customers, investors, communities or policy makers. This approach to value creation emanates from our belief that sound governance system, based on relationship and trust, is integral to creating enduring value for all.

Your Company believes that good Corporate Governance is essential in achieving long-term corporate goals, enhancing shareholders' value and attaining the highest level of transparency. Your Company's philosophy on Corporate Governance is led by a strong emphasis on transparency, accountability and integrity and your Company has been practicing the principles of Corporate Governance since date of listing.

Your Company believes that all its operations and actions must serve the underlined goal of enhancing customers' satisfaction and stakeholders' value over a sustained period of time. All directors and employees are bound by a Code of Conduct that sets forth your Company's policy on important issues, including its relationship with customers, shareholders and Government.

GOVERNANCE STRUCTURE:

Your Company's Governance structure broadly comprises the Board of Directors and the Committees of the Board at the apex level and the Management structure at the operational level. This layered structure brings about a harmonious blend in governance as the Board sets the overall corporate objectives and gives direction and freedom to the Management to achieve these corporate objectives within a given framework,

thereby bringing about an enabling environment for value creation through sustainable growth.

Board of Directors

TBZ's Board plays a pivotal role in ensuring that your Company runs on sound and ethical business practices and that its resources are utilised for creating sustainable growth. The Board operates within a well-defined framework which enables it to discharge its fiduciary duties of safeguarding the interest of your Company; ensuring fairness in the decision-making process, integrity and transparency in your Company's dealing with its Members and other stakeholders.

Committee of Directors

The Board has constituted various committees with a view to have more focused attention on various areas of business and for better accountability, viz. Audit Committee, Stakeholders Relationship Committee, Nomination and Remuneration Committee, Risk Management Committee, Corporate Social Responsibility (CSR) Committee and Special Committee of Board of Directors. Each of these Committees has been mandated to operate within a given framework.

Management Structure

Management structure for running the business of your Company as a whole is in place with appropriate delegation of powers and responsibilities. This broadly is as under:

a) Chief Executive Officer

The Chief Executive Officer is in overall control and responsible for the day-to-day working and functioning of your Company. He gives strategic directions, lays down policy guidelines and ensures implementation of the decisions of the Board of Directors and its various committees. All the responsibilities of the Chief Executive Officer are handled by Mr. Shrikant Zaveri, Chairman & Managing Director of your Company.

b) Functional Heads

Functional Heads of various departments, viz. Retail Department, Gold Order Department, Diamond Order Department, Advertisement and Marketing Department, Human Resource Department, Administration Department, Information and Technology (IT) Department, Secretarial Department, Legal Department, Treasury & MIS Department, Accounts and Finance Department and Project Department. The Chief Financial Officer reports to the Chief Executive Officer of your Company. These Department Heads review the functioning of their department.

Shareholders' Communications

The Board recognises the importance of two-way communication with shareholders and giving a balanced

report of results and progress and responding to questions and issues raised in a timely and consistent manner. Your Company's corporate website (www.tbztheoriginal.com) has information for institutional and retail shareholders alike. Shareholders seeking information relating to their shareholding may contact your Company directly or through the Registrar and Share Transfer Agent, details of which are available on your Company's website and also forming part of the Corporate Governance Report. Your Company ensures that complaints and suggestions of its shareholders are responded to in a timely manner.

Role of the Company Secretary in overall governance process

The Company Secretary plays a key role in ensuring that the Board (including committees thereof) procedures are followed and regularly reviewed. The Company Secretary ensures that all the relevant information, details and documents are made available to the Directors and Senior Management for effective decision making at the meetings. The Company Secretary is primarily responsible to assist and advise the Board in the conduct of the legal and procedural requirements of your Company, to ensure compliance with applicable statutory requirements and Secretarial Standards and to facilitate convening of meetings. He interfaces between the management and regulatory authorities for governance matters.

The said certificate is annexed and forms part of the Annual Report.

xxviii) Commodity Price Risk or Foreign Exchange Risk and Hedging Activities:

Your Company has a price review mechanism to protect against material movements in prices of Gold.

Gold price is directly driven by various international factors and stringent domestic government policies. Your Company monitors the Gold price on a regular basis using pricing trends and forecasts from internationally reputed news agencies and international factors. To mitigate the risk of gold price fluctuation, your Company's endeavour is to maximize the procurement of gold under gold loan scheme from various banks which will help to reduce the risk due to gold price fluctuation by way of 'natural hedging'. In addition to procuring gold on loan, your Company also does hedging in domestic markets on the MCX Exchange as per business requirement, to protect your Company from gold price fluctuation.

Your Company procures gold from various banks and other domestic sources available and does not directly import Gold from the international market, in that connection, your Company is not directly exposed to Foreign Exchange Risk. As foreign exchange fluctuation has an impact on gold price, your Company is updated with the currency forecast received from various banks and keeps a close eye on important data announcements such as unemployment data of US, G 7 meetings, non-farm payroll of US, RBI announcements etc.

INDEPENDENT AUDITORS' REPORT

To the Members of
Tribhovandas Bhimji Zaveri Limited

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Tribhovandas Bhimji Zaveri Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2018, the Statement of profit and loss, the Statement of changes in equity and the Statement of cash flows for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in sub-section 5 of Section 134 of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under sub-section 10 of Section 143 of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance

about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018, its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of conferred sub-section 11 of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by sub-section 3 of Section 143 of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The balance Sheet, the Statement of profit and loss, the Statement of changes in equity and the

Statement of cash flows dealt with by this Report are in agreement with the books of account;

- (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with relevant rule issued thereunder;
- (e) On the basis of the written representations received from the directors as on 31 March 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of sub-section 2 of Section 164 of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
1. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note 40.1 to the standalone Ind AS financial statements;

2. The Company did not have any long-term contracts including derivative contracts, requiring provisions under any Act or accounting standard for any material foreseeable losses - Refer Note 40.4 to the standalone Ind AS financial statements;
3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company; and
4. The disclosures in the financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made since they do not pertain to the financial year ended 31 March 2018. “Annexure A” to the Independent Auditor’s Report

With reference to the Annexure A referred to in the Independent Auditor’s Report to the members of the Company on the standalone Ind AS financial statements for the year ended 31 March 2018, we report that:

- (i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets (property, plant and equipment).
- (b) The Company has a regular programme of physical verification of its fixed assets (property, plant and equipment) by which all fixed assets (property, plant and equipment) are verified in a phased manner over a period of two years. In accordance with this programme, a portion of the fixed assets (property, plant and equipment) has been physically verified by the management during the year and no material discrepancies have been noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) The inventory, except stocks lying with third parties, has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly dealt with in books of account. In respect of inventory lying with third parties, these have been substantially confirmed by them.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3(iii) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us, there are no dues of Income-tax, Sales tax, Value added tax, Service tax, Duty of customs, Duty of excise and Goods and service tax, which have not been deposited with the appropriate authorities on account of any dispute other than those mentioned below:

(iv) In our opinion and according to the information and explanations given to us, the Company has not made any investments or granted any loans, or security or guarantee covered under Section 185 or 186 of the Act. Accordingly, paragraph 3(iv) of the Order is not applicable.

(v) In our opinion, and according to the information and explanations given to us, the Company has not accepted deposits as per the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, paragraph 3 (v) of the Order is not applicable to the Company.

(vi) The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act, for any of the products manufactured/services rendered by the Company. Accordingly, paragraph 3(vi) of the Order is not applicable.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Provident fund, Employees’ state insurance, Income-tax, Sales tax, Value added tax, Service tax, Duty of customs, Duty of excise, Goods and service tax, Cess and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities though there has been a slight delay in a few cases.

According to the information and explanations given to us, no undisputed amounts payable in respect of Provident fund, Employees’ state insurance, Income-tax, Sales tax, Value added tax, Service tax, Duty of customs, Duty of excise, Goods and service tax, Cess and other material statutory dues were in arrears as at 31 March 2018 for a period of more than six months from the date they became payable.

| Nature of statute | Nature of dues | Amount (₹ lakhs)# | Period to which amount relates | Forum where dispute is pending |
|---------------------------------------|-----------------|-------------------|--------------------------------|--|
| Customs Act, 1962 | Customs duty | 18.25 | FY 2007-08 | Additional Commissioner of Customs |
| Maharashtra Value Added Tax Act, 2002 | Value added tax | 281.23 | FY 2011-12 | Joint Commissioner of Sales Tax (Appeal) |

| Nature of statute | Nature of dues | Amount (₹ lakhs)# | Period to which amount relates | Forum where dispute is pending |
|---------------------------------------|-------------------|----------------------|-----------------------------------|---|
| Central Sales Tax Act, 1956 | Central sales tax | 0.97 | FY 2011-12 | Joint Commissioner of Sales Tax (Appeal) |

| Central Sales Tax Act, 1956 | Central sales tax | 5.55 | FY 2013-14 | Appeal under process |

#The above amounts are net of amounts paid under protest.

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans to its bankers or to any financial institutions. The Company did not have any outstanding dues to financial institutions and government or outstanding debentures during the year.
- (ix) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) and has not obtained any term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during year.
- (xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, paragraph 3 (xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard (Ind AS) 24.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him/ her. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3 (xvi) of the Order is not applicable to the Company.

“Annexure B” to the Independent Auditor’s Report

(Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statements of Tribhovandas Bhimji Zaveri Limited as of 31 March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (‘the ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with respective to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating

effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2018, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31 March 2018

(Currency : ₹ in Lakhs)

1 Company Overview

Tribhovandas Bhimji Zaveri Limited ('TBZ or the "the Company') known under the brand 'TBZ- the Original' was incorporated on 24 July 2007 by conversion of a partnership firm Tribhovandas Bhimji Zaveri under Part IX of the Companies Act, 1956 whereby the partners of the partnership firm became shareholders with the shareholdings as agreed amongst the partners. The Company has been converted to a public limited company w.e.f. 3 December 2010. The Company is in the business of retail sales of ornaments made of gold, diamond, silver, platinum and precious stones through its 32 show rooms and 5 franchisee outlets located across India.

2 Basis of preparation of financial statement and significant accounting policies

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

2.1 Basis of Preparation of financial statements

a. Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The financial statements up to and for the year ended 31 March 2017 were prepared in accordance with the Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act.

As these are the Company's first financial statements prepared in accordance with Ind AS, Ind AS 101, First-time Adoption of Indian Accounting Standards has been applied. An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 40.16.

The financial statements were authorized for issue by the Company's Board of Directors at their meeting held on 2 May 2018.

b. Functional and presentation currency

The financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakhs with two decimals, unless otherwise indicated.

c. Basis of measurement

The financial statements have been prepared on historical cost basis, except for the following assets and liabilities which have been measured at fair value as required by relevant Ind AS:

- Derivative financial instruments,
- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments), and
- Net defined benefit liability

d. Use of estimates and judgement

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may diverge from these estimates.

Estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31 March 2018

(Currency : ₹ in Lakhs)

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- (a) Measurement of defined benefit obligations - Note 40.3
- (b) Measurement and likelihood of occurrence of provisions and contingencies - Note 40.1
- (c) Recognition of deferred tax assets - Note 10 (a) and (b)

e. Current -non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria :

- a. it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is expected to be realised within 12 months after reporting date; or
- d. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a. it is expected to be settled in the Company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is due to be settled within 12 months after the reporting date; or
- d. the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instrument do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating Cycle :

Based on the nature of services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

2.2 Significant accounting policies

a) Property, Plant and Equipment ('PPE')

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any.

The cost of property, plant and equipment comprises its purchase price/acquisition cost, net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from tax authorities), any directly attributable expenditure on making the asset ready for its intended use. Subsequent expenditure on property, plant and equipment after its purchase/completion is capitalized only if it is probable that future economic benefit associated with the expenditure will flow to the company.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31 March 2018

(Currency : ₹ in Lakhs)

Property, plant and equipment not ready for the intended use on the date of balance sheet are disclosed as "Capital work-in-progress".

If significant parts of an item of property, plant and equipment have different lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Gains or losses arising from disposal or retirement of property, plant and equipment are recognised in the Statement of profit and loss.

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognized as at 1 April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of property, plant and equipment (See Note No 3)

Depreciation on PPE has been provided under pro-rata basis using straight line method over its useful life in compliance with Schedule II of Companies Act, 2013. Freehold land is not depreciated.

Depreciation method, useful lives and residual values are reviewed at each financial year end and adjusted, if appropriate.

Depreciation for the year is recognised in the Statement of profit and loss.

b) Intangible assets

Intangible assets are recognised only when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of such assets can be measured reliably. Intangible assets are stated at cost less accumulated amortisation and impairment loss, if any. All costs relating to the acquisition are capitalised.

Intangible assets are amortised in the Statement of profit or loss over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

The Company's intangible assets comprise of computer software which are being amortised on a straight line basis over their estimated useful life of five years.

Amortisation method and useful lives are reviewed at each reporting date. If the useful life of an asset is estimated to be significantly different from previous estimates, the amortisation period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortisation method is changed to reflect the changed pattern.

On transition to Ind AS, the Company has elected to continue with the carrying value of its intangible assets recognized as at 1 April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of intangible assets (see Note 6)

c) Impairment of non financial assets

Assessment for impairment is done at each balance sheet date as to whether there is any indication that a non-financial asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit.

If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognising the impairment loss as an expense in the Statement of profit and loss. Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life. Assessment is also done at each balance sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased, basis the assessment a reversal of an impairment loss for an asset other than goodwill is recognised in the Statement of profit and loss account.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31 March 2018

(Currency : ₹ in Lakhs)

d) Investments Property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its investment property recognised as at 1 April 2016, measured as per the previous GAAP and use that carrying value as the deemed cost of such investment property.

The Company depreciates investment properties over a period of 30 years on a straight-line basis which is in line with the Schedule II of the Act.

Any gain or loss on disposal of an investment property is recognised in Statement of profit or loss.

The fair values of investment property is disclosed in the notes. Fair values is determined by an independent valuer who holds a recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued.

e) Inventories

Inventories which comprise raw materials, finished goods, stock-in-trade and packing materials are carried at the lower of cost and net realizable value. Cost is determined on weighted average basis.

Cost of inventories comprises all costs of purchase and other duties and taxes (other than those subsequently recoverable from tax authorities), costs of conversion and all other costs incurred in bringing the inventory to their present location and condition. In respect of purchase of goods at prices that are yet to be fixed at the year end, adjustments to the provisional amounts are recognised based on the year end closing gold rate.

Net realisable value is estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale. Raw materials and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

f) Borrowing Costs

Borrowing costs consist of interest and other costs (including exchange differences to the extent regarded as an adjustment to the interest costs) incurred in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as a part of the cost of such assets. All other borrowing costs are recognized as an expense in the period in which they are incurred.

g) Revenue recognition

Revenue is measured at fair value of consideration received or receivable net of returns, trade and scheme discounts, volume rebate excluding taxes or duties collected on behalf of the government.

- i) Sale of Goods :- Revenue from the sale of goods are recognized when the goods are delivered and title have passed on fulfillment of following conditions :-
 - The Company has transferred to the buyer the significant risks and rewards of ownership of the goods which generally coincides when goods are billed and delivered to customers as per terms of the contract,
 - The Company retains neither continuing managerial involvement to the degree associated with ownership nor effective control over the goods ;

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31 March 2018

(Currency : ₹ in Lakhs)

- The amount of revenue can be measured reliably;
 - It is probable that economic benefit associated with the transaction will flow to the Company ; and
 - The costs incurred or to be incurred in respect of the transaction can be measured reliably.
- ii) Service Income : Service income is recognized on rendering of services.
- iii) Gift Card sales are recognized when the vouchers are redeemed and goods are sold to the customers.
- iv) Interest Income :- Interest income from a financial assets is recognized when it is probable that the economic benefits will flow to the company and amount of income can be measured reliably. Interest Income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable.
- v) Rental Income arising from operating leases is accounted for on straight line basis over the base terms unless the rentals are structured to increase in line with expected general inflation and is included in revenue in the Statement of profit & loss account due to its operating nature.
- vi) Dividend income is recognised when the right to receive payment is established.

h) Foreign currency transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the dates of the transactions. Exchange differences arising on foreign currency transactions settled during the period are recognized in the Statement of profit and loss of that period.

Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated into functional currency at the exchange rates at the reporting date. The resultant exchange differences are recognized in the Statement of profit and loss.

i) Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

Post-employment benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the company pays specified contribution to a Government administered scheme and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards provident fund and employee state insurance, which are a defined contribution plan, at the prescribed rates. The Company's contribution is recognised as an expense in the Statement of profit and loss during the period in which the employee renders the related service.

Defined benefit plans

Gratuity

The Company's gratuity benefit scheme is a funded defined benefit plan. Contribution to the Company's Gratuity Trust and provision towards gratuity are provided on the basis of an independent actuarial valuation carried out at the end of the year using the projected unit credit method and are debited to the Statement of profit and loss on an accrual basis. Actuarial gains and losses arising during the year are recognised in other comprehensive income.

Other long-term employee benefits

Compensated absences

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The Company makes provision for compensated absences based on an independent actuarial valuation carried out at the end of the year using the projected unit credit method. Actuarial gains and losses are recognised in the Statement of profit and loss.

j) Leases

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases are generally recognized in profit or loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Lease incentives received are recognized as an integral part of the total lease expense over the term of the lease.

Lease income from operating leases are generally recognized in profit or loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

Plant and machinery and land and building given by the Company under operating lease are included in property, plant and equipment and investment property respectively.

k) Income taxes

Income tax expense comprises current tax and deferred tax. It is recognised in the Statement of profit and loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised only to the extent it is probable that future taxable profits will be available against which the assets can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Minimum Alternate Tax (MAT) is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized, it is credited to the Statement of profit and loss and is considered as (MAT Credit Entitlement). Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for a specified period of time, hence, it is presented as Deferred Tax Asset.

l) Earnings per share (EPS)

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit

for the period attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

m) Provision, contingent liabilities and contingent assets

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the balance sheet date and are discounted to its present value if the effect of time value of money is considered to be material. These are reviewed at each year end date and adjusted to reflect the best current estimate. The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may or may not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

n) Investment in Subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of profit and loss.

Upon first-time adoption of Ind AS, the Company has elected to measure its investments in subsidiaries at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS i.e., 1 April 2016

o) Financial instruments

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Financial asset

Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, the company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

Financial assets are not reclassified subsequent to their initial recognition except if and in the period the company changes its business model for managing financial assets.

A 'financial assets' is measured at the amortized cost if both the following conditions are met

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of profit and loss. The losses arising from impairment are recognised in the Statement of profit and loss.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31 March 2018

(Currency : ₹ in Lakhs)

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of profit and loss

Equity investments

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of profit and loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of profit and loss.

De-recognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortized cost and financial assets measured at FVOCI. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 months expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of profit and loss

Financial liabilities

Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities. Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of profit and loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet, if the Company currently has a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

p) Derivative financial instruments and hedge accounting

Embedded derivative

An embedded derivative is a component of a hybrid (combined) instrument that also includes a non-derivative host contract – with the effect that some of the cash flows of the combined instrument vary in a way similar to a standalone derivative. An embedded derivative causes some or all of the cash flows that otherwise would be required by the contract to be modified according to a specified variable. The Company enters into purchase gold contract, in which the amount payable is not fixed based on gold price on the date of purchase, but instead is affected by changes in gold prices in future. Such transactions are entered into to protect against the risk of gold price movement in the purchased gold. Accordingly, such unfixed payables (gold loan) are considered to have an embedded derivative. The Company designates the gold price risk in such instruments as hedging instruments, with gold inventory considered to be the hedged item. The hedged risk is gold prices movement.

Derivative are initially measured at fair value. Subsequent to initial recognition, derivative are measured at fair value, and changes there in are generally recognised in profit and loss.

At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for undertaking hedge, the hedging/ economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

q) Standard issue but not effective

Ministry of Corporate Affairs ("MCA"), on March 28, 2018, through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the new standard for revenue recognition and amended certain existing Ind ASs which are effective for annual periods beginning on or after 1 April 2018.

Ind AS 115 - Revenue from contract with customers

Ind AS 115 will supersede the existing revenue recognition standard 'Ind AS 18 – Revenue'. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The amendment will come into force from 1 April 2018. The Company does not expect the effect of this on the financial statements to be material based on preliminary evaluation.

Other amendments

The Company does not expect the effect of other amendments notified by the Ministry of Corporate Affairs ("MCA"), on 28 March, 2018, through Companies (Indian Accounting Standards) Amendment Rules, 2018 in respect of Ind AS 12 - Income taxes, Ind AS 21 - The effect of changes in foreign exchange rates and Ind AS 40 - Investment property, on the financial statements to be material based on preliminary evaluation.

b Terms / rights attached to equity shares

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to his share of paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid.

Failure to pay any amount called up on shares may lead to forfeiture of the shares.

On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

40.10 Segment reporting

The Company is engaged in manufacturing/ trading and selling of jewellery mainly in India, which is the primary business segment based on the nature of products manufactured/traded and sold. Thus, the Company has only one reportable business which is manufacturing/trading and selling of jewellery and only one reportable geographical segment. Accordingly the segment information as required by Ind AS 108 on 'Operating Segments' is not required to be disclosed.

40.11 Disclosure pursuant to change with SEBI (Listing obligation and disclosure requirement, 2015) and section 186 of the Companies Act, 2013

No loans have been given by the Company to any third party or its subsidiary companies.

The details of investment in subsidiary companies are given in Note 7.

40.12 Hedging activity and derivatives

Fair value hedge of gold price risk in inventory

The Company enters into contracts to purchase gold wherein the Company has the option to fix the purchase price based on market price of gold during a stipulated time period. The prices are linked to gold prices. Accordingly, these contracts are considered to have an embedded derivative (represented in the said option to fix the price) that is required to be separated from the host contract which is the gold loan liability. Such feature is kept to hedge against exposure in the value of inventory of gold due to volatility in gold prices. The Company designates the embedded derivative in the payable for such purchases as the hedging instrument in fair value hedging of inventory. The Company designates only the spot-to-spot movement of the gold inventory as the hedged risk. The carrying value of inventory which are designated under fair value hedge relationship are measured at fair value at each reporting date. There is no ineffectiveness in the relationships designated by the Company for hedge accounting.

Disclosure of effects of fair value hedge accounting on financial position:

Hedged item - Changes in fair value of inventory attributable to change in gold prices

Hedging instrument - Changes in fair value of the option to fix prices of gold purchases, as described above

Note 40.13: Capital management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The board of directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position. The primary objective of the Company's Capital Management is to maximise shareholder value. The Company manages its capital structure and makes adjustments in the light of changes in the economic environment and the requirements of the financial covenants, if any.

The Company monitors capital using a ratio of 'adjusted net debt' to 'equity'. For this purpose, adjusted net debt is defined as total borrowings, comprising interest-bearing loans and borrowings less cash and cash equivalents. Equity comprises all components of equity.

The company's adjusted net debt to equity ratio was as follows.

| Particulars | 31 March 2018 | 31 March 2017 | 1 April 2016 |
|--|------------------|------------------|------------------|
| Total borrowings | 56,854.91 | 54,876.80 | 64,945.95 |

Note 40.14: Financial Instruments - Fair values and risk management

40.14.1: Financial Instruments - Fair values

Accounting classification and fair values

Carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy, are presented below. It does not include the fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

- a) The fair value of financial instruments have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements)

The categories used are as follows:

- Level 1: Quoted prices for identical instruments in an active market;
- Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data.

40.14.2: Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk;
- Market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports regularly to the board of directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

A: Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's exposures to trade receivables (mainly institutional customers and credit sales), deposits with landlords for store properties taken on leases and other receivables including balances with banks.

Trade receivables and other deposits

The Company's retail business is predominantly on 'cash and carry' basis which is largely through cash and credit card collections. The credit risk on such credit card collections is minimal, since they are primarily owned by customers' card issuing banks. The Company has adopted a policy of dealing with only credit worth counterparties in case of institutional customers and credit sales and the credit risk exposure for institutional customers and credit sales are managed by the Company by credit worthiness checks. The Company also carries credit risk on lease deposits with landlords for store properties taken on leases, for which agreements are signed and property possessions timely taken for store operations. The risk relating to refunds of deposits after store shut down is managed through successful negotiations or appropriate legal actions, where necessary.

Other financial assets

The Company maintains exposure in cash and cash equivalents and term deposits with banks. The Cash and cash equivalents and term deposits are held with the banks with good credit ratings.

The Company's maximum exposure to credit risk as at 31st March 2018, 31 March 2017 and 1st April 2016 is the carrying value of each class of financial assets.

B: Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31 March 2017 and 31 March 2016. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis.

The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing term deposits with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments:

As of 31 March 2018, 31 March 2017 and 1 April 2016 the Company had unutilized credit limits from banks of ₹ 10,712.66 lakhs, ₹ 18,450.02 lakhs and ₹ 9,290.70 lakhs respectively.

C: Market risk

Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i. Currency risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to US Dollar. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the Company's functional currency.

There are no exposure to currency risk as on 31 March 2018, 31 March 2017 and 1 April 2016.

ii. Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing financial assets or borrowings because of fluctuations in the interest rates, if such assets/borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing borrowings will fluctuate because of fluctuations in the interest rates.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

Exposure to interest rate risk

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

| Particulars | Nominal amount | | |
|----------------------------------|----------------|---------------|--------------|
| | 31 March 2018 | 31 March 2017 | 1 April 2016 |
| Fixed-rate instruments | | | |
| Financial assets | | | |
| Deposits with banks | 2,651.57 | 2,629.32 | 3,216.33 |
| Financial liabilities | | | |
| Term loan | 13.03 | 16.62 | 1,209.86 |
| WCDL facility | 6,750.00 | 3,250.00 | 7,000.00 |
| Floating-rate instruments | | | |
| Financial liabilities | | | |
| Cash credit facilities | 50,091.88 | 51,610.17 | 56,736.09 |

The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Sensitivity

The sensitivity to profit and loss in case of a reasonable possible change in interest rate of +/- 25 basis points (previous year +/- 25 basis points), keeping all other variables constant, would have resulted in an impact on profits by ₹ 130.24 Lakhs (previous year ₹ 138.41 Lakhs)

iii. Price risk

Exposure from investments in mutual funds:

The Company's exposure to price risk arises from investment in mutual funds held by the company and classified in the balance sheet as fair value through profit and loss.

Exposure from Borrowings:

The Company's exposure to price risk also arises from borrowings of the Company that are at unfixed prices, and therefore, payment is sensitive to changes in gold price. The option to fix gold prices are classified in the balance sheet as fair value through profit or loss. The option to fix gold prices are at unfixed prices to hedge against potential losses in value of inventory of gold held by the Company.

The Company applies fair value hedge for the gold purchased whose price is to be fixed in future. Therefore, there will no impact of the fluctuation in the price of the gold on the Company's profit for the period.

Note 40.15: First time adoption of Ind AS

These standalone financial statements, for the year ended 31 March 2018, are the first financial statements prepared by the Company in accordance with Ind AS. For periods up to and including the year ended 31 March 2017, the Company prepared its standalone financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2014, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Indian GAAP' or 'Previous GAAP').

Accordingly, the Company has prepared standalone financial statements which comply with Ind AS applicable for periods ending on 31 March 2018, together with the comparative period data as at and for the year ended 31 March 2017, as described in the summary of significant accounting policies. In preparing these standalone financial statements, the Company's opening Ind AS balance sheet was prepared as at 1 April 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Previous GAAP standalone financial statements, including the balance sheet as at 1 April 2016 and the standalone financial statements as at and for the year ended 31 March 2017.

The Company has applied Ind AS 101 in preparing these first standalone financial statements. The effect of transition to Ind AS on equity, total comprehensive income and reported cash flows are presented in this section and are further explained in the notes accompanying the tables.

Ind AS optional exemptions:

a. Deemed cost for property, plant and equipment, intangible assets and investment property.

The Company has elected to measure all its property, plant and equipment, intangible assets and investment property at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

The Company has elected to measure its investments in subsidiaries at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

Ind AS mandatory exceptions:

a. Estimates

On assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under Previous GAAP are made by the Company for the relevant reporting dates reflecting conditions existing as at that date.

b. Classification and measurement of financial assets

The classification of financial assets to be measured at amortised cost or fair value through other comprehensive income is made on the basis of the facts and circumstances that existed on the date of transition to Ind AS.

Adjustments to Statement of Cash Flows

There were no material differences between the Statement of Cash Flows presented under Ind AS and the Previous GAAP.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

Notes to the reconciliations

a. Measurement of leases

Under Previous GAAP, any escalation in operating lease rentals were straight-lined over the lease term.

Under Ind AS, operating lease rentals are not straight lined over the lease term if the payments to the lessor are structured to increase in line with expected general inflation. Further, under Ind AS, rental expense is also attributed to operating lease incentives, like rent free period.

b. Fair valuation of Investment

Under Previous GAAP, current investments were stated at lower of cost and fair value.

Under Ind AS, these financial assets have been classified as Fair Value Through Profit and Loss ('FVTPL') on the date of transition to Ind AS and fair value changes after the date of transition have been recognised in the statement of profit and loss.

c. Remeasurements of defined benefit liability

Under the Previous GAAP, these remeasurements were forming part of the profit or loss for the year.

Under Ind AS, remeasurements i.e. actuarial gains or losses, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of the statement of profit and loss.

d. Provision for KP scheme

Under Previous GAAP, provision for KP scheme was accrued and recognised over the period of the scheme.

Under Ind AS, discount offered to customers under KP scheme need to be recognised as and when actual sales happen. Hence, provision created for KP scheme under Previous GAAP has been reversed and discount under the scheme is recognised as reduction of revenue at the time of actual sale.

e. Deferred tax

Under Previous GAAP, deferred tax was accounted as per the income statement approach which required creation of deferred tax asset/ liability on timing differences between taxable income and accounting income. Under Ind AS, deferred tax is accounted as per the Balance Sheet approach which requires creation of deferred tax asset/ liability on temporary differences between the carrying amount of an asset/ liability in the Balance Sheet and its corresponding tax base. The adjustments in equity and net profit, as discussed above, resulted in additional temporary differences on which deferred taxes are calculated.

f. Other comprehensive income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in the statement of profit and loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist under Previous GAAP.

g. Proposed dividend

Under Previous GAAP, proposed dividends and related dividend distribution tax was recognised as a provision in the year to which they relate, irrespective of when they are declared. Under Ind AS, dividends and related dividend distribution tax are recognised as a liability in the year in which it is approved by the shareholders in the Annual General Meeting of the Company.

h. Excise duty

Under Previous GAAP, excise duty was netted off against sale of goods. However, under Ind AS, excise duty is included in sale of goods and is separately presented as expense on the face of Statement of Profit and Loss. Thus, sale of goods under Ind AS has increased with a corresponding increase in expenses.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

i. Investment property

Based on Ind AS 40 the Company has reclassified land and building given on lease to investment property. Under the Previous GAAP, this was disclosed as a part of property, plant and equipment.

j. Hedge Accounting

Under Previous GAAP, in respect of purchase of goods at prices that are yet to be fixed at the period end, adjustments to the provisional amounts invoiced by the vendor were recognised in the cost of inventory based on the closing gold rate.

Under Ind AS, in respect of purchase of goods at prices that are fixed subsequent to the date of purchase, the Company has applied hedge accounting w.e.f. 1 April 2016 wherein the option to fix prices is designated as a hedging instrument and change in fair value of inventory attributable to change in prices between the date of purchase and the date of fixing prices or reporting date (as applicable) is designated as hedged item.

The hedging relationship is considered a fair value hedge. The gain or loss on the hedging instrument is recognised in statement of profit and loss and the corresponding gain or loss on the hedged item is adjusted in the carrying amount of the hedged item and recognised in statement of profit and loss.

k. Financial assets and liabilities

Under Previous GAAP, the financial assets and financial liabilities were carried at the contractual amount receivable or payable.

Under Ind AS, certain financial assets and financial liabilities are initially recognised at fair value and subsequently measured at amortised cost which involves the application of effective interest method. Hence, security deposits have been recorded initially at fair value using an appropriate discount rate. The difference between the present value and the amount paid is recognised as a prepaid rent. The unwinding of the security deposit as per the effective interest rate method will be recognised as a finance income over the period of the lease.

INDEPENDENT AUDITORS' REPORT

To the Members of
Tribhovandas Bhimji Zaveri Limited (Holding Company)

Report on the Audit of Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of Tribhovandas Bhimji Zaveri Limited (hereinafter referred to as "the Holding Company") and its subsidiaries, Tribhovandas Bhimji Zaveri (Bombay) Limited and Konfiaance Jewellery Private Limited (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated balance Sheet as at 31 March 2018, the Consolidated statement of profit and loss, Consolidated statement of changes in equity and the Consolidated cash flow statement, for the year then ended, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated state of affairs, consolidated profit and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2018, and their consolidated profit and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c) The Consolidated balance sheet, the Consolidated statement of profit and loss, the Consolidated statement of changes in equity and the Consolidated

- cash flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company and its subsidiaries as on 31 March 2018 taken on record by the Board of Directors of the Holding Company and its subsidiary companies none of the directors of the Group companies is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note 37.1 to the consolidated financial statements.
- ii. The Group did not have any long-term contracts including derivative contracts, requiring provisions under any Act or accounting standard for any material foreseeable losses - Refer Note 37.4 to the consolidated financial statements.
- iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Group during the year ended 31 March 2018.
- iv. The disclosures in the consolidated financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made since they do not pertain to the financial year ended 31 March 2018. However amounts as appearing in the audited consolidated financial statements for the period ended 31 March 2017 have been disclosed.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with our audit of the consolidated Ind AS financial statements of Tribhovandas Bhimji Zaveri Limited (hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2018, we have audited the internal financial controls over financial reporting of Tribhovandas Bhimji Zaveri Limited and its subsidiary companies (collectively referred to as "the Group") which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in

India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31 March 2018

(Currency : ₹ in Lakhs)

1 Company Overview

Tribhovandas Bhimji Zaveri Limited ('TBZ or the "the Company') known under the brand 'TBZ- the Original' was incorporated on 24 July 2007 by conversion of a partnership firm Tribhovandas Bhimji Zaveri under Part IX of the Companies Act, 1956 whereby the partners of the partnership firm became shareholders with the shareholdings as agreed amongst the partners. The Company has been converted to a public limited company w.e.f. 3 December 2010. The Company is in the business of retail sales of ornaments made of gold, diamond, silver, platinum and precious stones through its 32 show rooms and 5 franchisee outlets located across India.

These consolidated financial statement comprise the company and its subsidiaries (referred to the collectively as the 'Group').

2 Basis of preparation of financial statement and significant accounting policies

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

2.1 Basis of Preparation of financial statements

a. Statement of compliance

These consolidated financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) as per the Companies (Indian Accounting Standard) Rules, 2015 notified under section 133 of Companies Act, 2013 (the 'Act') and the relevant provision of the Act.

The Group's consolidated financial statements up to and for the year ended 31 March 2017 were prepared in accordance with the Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act.

As these are the Group's first consolidated financial statements prepared in accordance with Ind AS, Ind AS 101, First-time Adoption of Indian Accounting Standards has been applied. An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 37.16.

The financial statements were authorized for issue by the Group's Board of Directors at their meeting held on 2 May 2018.

b. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Group's functional currency. All amounts have been rounded-off to the nearest lakhs with two decimals unless otherwise indicated.

c. Basis of measurement

These financial statements have been prepared on historical cost basis, except for the following assets and liabilities which have been measured at fair value as required by relevant Ind AS:

- Derivative financial instruments,
- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments), and
- Net defined benefit liability

d. Use of estimates and judgement

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may diverge from these estimates.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

Estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- (a) Measurement of defined benefit obligations - Note 37.3
- (b) Measurement and likelihood of occurrence of provisions and contingencies - Note 37.1
- (c) Recognition of deferred tax assets - Note 8 (a) and (b)

e. Current -non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria :

- a. it is expected to be realised in, or is intended for sale or consumption in, the Group's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is expected to be realised within 12 months after reporting date; or
- d. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a. it is expected to be settled in the Company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is due to be settled within 12 months after the reporting date; or
- d. the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instrument do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating Cycle :

Based on the nature of services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

f. Basis of consolidation:

The consolidated financial statements related to Tribhovandas Bhimji Zaveri Limited ("the Company") and entities controlled by the Company. Control is achieved when the Company has power over the entity, is exposed, or has rights, to variable returns from its involvement with the investee; and has the ability to affect the entity's returns by using its power over the entity.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

The standalone financial statements of the Company and its subsidiaries have been combined on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances, intra-group transactions and unrealised profit or losses. These financial statements are prepared by applying uniform accounting policies in use at the Group. The excess of the Company's portion of equity of the subsidiaries as at the date of its investment over the cost of its investment is treated as Capital Reserve on consolidation. The excess of cost to the Company of its investment over the Company's portion of equity as at the date of investment is treated as Goodwill on consolidation.

Entities controlled by the Company are consolidated from the date the control commences until the date control ceases. The subsidiary companies which is included in the consolidation and the Company's holdings therein are as under:

| Name of the Company | Country incorporation | Ownership interest 31 March 2018 | Ownership interest 31 March 2017 |
|---|--------------------------|-------------------------------------|-------------------------------------|
| Tribhovandas Bhimji Zaveri (Bombay) Limited | India | 100% | 100% |
| Konfiaance Jewellery Private Limited | India | -* | 100% |

* The Group ceased to control the subsidiary on account of voluntary liquidation, which commence on 28 August 2017 and completed on 31 March 2018.

2.2 Significant accounting policies

a) Property, Plant and Equipment ('PPE')

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any.

The cost of property, plant and equipment comprises its purchase price/acquisition cost, net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from tax authorities), any directly attributable expenditure on making the asset ready for its intended use. Subsequent expenditure on property, plant and equipment after its purchase/completion is capitalized only if it is probable that future economic benefit associated with the expenditure will flow to the company.

Property, plant and equipment not ready for the intended use on the date of balance sheet are disclosed as "Capital work-in-progress".

If significant parts of an item of property, plant and equipment have different lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Gains or losses arising from disposal or retirement of property, plant and equipment are recognised in the Statement of Profit and Loss.

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognized as at 1st April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of property, plant and equipment (See Note No 3)

Depreciation on PPE has been provided under pro-rata basis using straight line method over its useful life in compliance with Schedule II of Companies Act, 2013. Freehold land is not depreciated.

Depreciation method, useful lives and residual values are reviewed at each financial year end and adjusted, if appropriate.

Depreciation for the year is recognised in the Statement of profit and loss.

b) Intangible assets

Intangible assets are recognised only when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of such assets can be measured reliably. Intangible assets are stated at cost less accumulated amortisation and impairment loss, if any. All costs relating to the acquisition are capitalised.

Intangible assets are amortised in the Statement of Profit or Loss over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

The Company's intangible assets comprise of Computer software which are being amortised on a straight line basis over their estimated useful life of five years.

Amortisation method and useful lives are reviewed at each reporting date. If the useful life of an asset is estimated to be significantly different from previous estimates, the amortisation period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortisation method is changed to reflect the changed pattern.

On transition to Ind AS, the Company has elected to continue with the carrying value of its intangible assets recognized as at 1st April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of intangible assets (see Note 5)

c) Impairment of non financial assets

Assessment for impairment is done at each balance sheet date as to whether there is any indication that a non-financial asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit.

If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognising the impairment loss as an expense in the statement of profit and loss. Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased, basis the assessment a reversal of an impairment loss for an asset other than goodwill is recognised in the Statement of profit and loss.

d) Inventories

Inventories which comprise raw materials, finished goods, stock-in-trade and packing materials are carried at the lower of cost and net realizable value. Cost is determined on weighted average basis.

Cost of inventories comprises all costs of purchase and, other duties and taxes (other than those subsequently recoverable from tax authorities), costs of conversion and all other costs incurred in bringing the inventory to their present location and condition. In respect of purchase of goods at prices that are yet to be fixed at the year end, adjustments to the provisional amounts are recognised based on the year end closing gold rate.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale. Raw materials and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realisable value.

e) Borrowing Costs

Borrowing costs consist of interest and other costs (including exchange differences to the extent regarded as an adjustment to the interest costs) incurred in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as a part of the cost of such assets. All other borrowing costs are recognized as an expense in the period in which they are incurred.

f) Revenue recognition

Revenue is measured at fair value of consideration received or receivable net of returns, trade and scheme discounts, volume rebate excluding taxes or duties collected on behalf of the government.

- i) Sale of Goods :- Revenue from the sale of goods are recognized when the goods are delivered and title have passed on fulfillment of following conditions :-
- The Company has transferred to the buyer the significant risks and rewards of ownership of the goods which generally coincides when goods are billed and delivered to customers as per terms of the contract,
 - The Company retains neither continuing managerial involvement to the degree associated with ownership nor effective control over the goods ;
 - The amount of revenue can be measured reliably;
 - It is probable that economic benefit associated with the transaction will flow to the Company ; and
 - The costs incurred or to be incurred in respect of the transaction can be measured reliably.
- ii) Service Income : Service income is recognized on rendering of services.
- iii) Gift Card sales are recognized when the vouchers are redeemed and goods are sold to the customers.
- iv) Interest Income :- Interest income from a financial assets is recognized when it is probable that the economic benefits will flow to the company and amount of income can be measured reliably. Interest Income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable.
- v) Dividend income is recognised when the right to receive payment is established.

g) Foreign currency transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the dates of the transactions. Exchange differences arising on foreign currency transactions settled during the period are recognized in the Statement of Profit and Loss of that period.

Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated into functional currency at the exchange rates at the reporting date. The resultant exchange differences are recognized in the Statement of Profit and Loss.

h) Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

Post-employment benefits

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the Group pays specified contribution to a Government administered scheme and has no obligation to pay any further amounts. The Group makes specified monthly contributions towards Provident Fund and employee state insurance, which are a defined contribution plan, at the prescribed rates. The Group contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

Defined benefit plans

Gratuity

The Group gratuity benefit scheme is a funded defined benefit plan. Contribution to the Group Gratuity Trust and provision towards gratuity are provided on the basis of an independent actuarial valuation carried out at the end of the year using the projected unit credit method and are debited to the Statement of profit and loss on an accrual basis. Actuarial gains and losses arising during the year are recognised in other comprehensive income.

Other long-term employee benefits

Compensated absences

The Group provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The Group makes provision for compensated absences based on an independent actuarial valuation carried out at the end of the year using the projected unit credit method. Actuarial gains and losses are recognised in the Statement of profit and loss.

i) Leases

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases are generally recognized in statement of profit or loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Lease incentives received are recognized as an integral part of the total lease expense over the term of the lease.

Lease income from operating leases are generally recognized in profit or loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

j) Income taxes

Income tax expense comprises current tax and deferred tax. It is recognised in the Statement of profit and loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

Deferred tax assets are recognised only to the extent it is probable that future taxable profits will be available against which the assets can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Current/deferred tax assets and current/deferred tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

Minimum Alternate Tax (MAT) is recognized as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized, it is credited to the Statement of profit & loss and is considered as (MAT Credit Entitlement). Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Group for a specified period of time, hence, it is presented as Deferred Tax Asset.

k) Earnings per share (EPS)

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

l) Provision, contingent liabilities and contingent assets

The Group creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the balance sheet date and are discounted to its present value if the effect of time value of money is considered to be material. These are reviewed at each year end date and adjusted to reflect the best current estimate. The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may or may not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

m) Financial instruments

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Financial asset

Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. Based on the business model for managing the financial assets and the contractual cash flow characteristics of the financial asset, the company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

Financial assets are not reclassified subsequent to their initial recognition except if and in the period the company changes its business model for managing financial assets.

A 'financial assets' is measured at the amortized cost if both the following conditions are met

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of profit and loss. The losses arising from impairment are recognised in the Statement of profit and loss.

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of profit and loss

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

Equity investments

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Group makes such election on an instrument-by-instrument basis. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of profit and loss.

De-recognition of financial assets

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

Impairment of financial assets

In accordance with Ind-AS 109, the Group applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortized cost and financial assets measured at FVOCI. For financial assets other than trade receivables, as per Ind AS 109, the Group recognises 12 months expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Group's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of profit and loss

Financial liabilities

Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities. Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of profit and loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet, if the Group currently has a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

n) Derivative financial instruments and hedge accounting

Embedded derivative

An embedded derivative is a component of a hybrid (combined) instrument that also includes a non-derivative host contract – with the effect that some of the cash flows of the combined instrument vary in a way similar to a standalone derivative. An embedded derivative causes some or all of the cash flows that otherwise would be required by the contract to be modified according to a specified variable. The Group enters into purchase gold contract, in which the amount payable is not fixed based on gold price on the date of purchase, but instead is affected by changes in gold prices in future. Such transactions are entered into to protect against the risk of gold price movement in the purchased gold. Accordingly, such unfixed payables (gold loan) are considered to have an embedded derivative. The Group designates the gold price risk in such instruments as hedging instruments, with gold inventory considered to be the hedged item. The hedged risk is gold prices movement.

Derivative are initially measured at fair value. Subsequent to initial recognition, derivative are measured at fair value, and changes there in are generally recognised in profit and loss.

At the inception of a hedge relationship, the Group formally designates and documents the hedge relationship to which the Group wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Group risk management objective and strategy for undertaking hedge, the hedging/ economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

o) Standard issue but not effective

Ministry of Corporate Affairs ("MCA"), on March 28, 2018, through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the new standard for revenue recognition and amended certain existing Ind ASs which are effective for annual periods beginning on or after 1 April 2018.

Ind AS 115 - Revenue from contract with customers

Ind AS 115 will supersede the existing revenue recognition standard 'Ind AS 18 – Revenue'. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The amendment will come into force from 1 April 2018. The Group does not expect the effect of this on the financial statements to be material based on preliminary evaluation.

Other amendments

The Group does not expect the effect of other amendments notified by the Ministry of Corporate Affairs ("MCA"), on 28 March, 2018, through Companies (Indian Accounting Standards) Amendment Rules, 2018 in respect of Ind AS 12 - Income taxes, Ind AS 21 - The effect of changes in foreign exchange rates and Ind AS 40 - Investment property on the financial statements to be material based on preliminary evaluation.

b Terms / rights attached to equity shares

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to his share of paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid.

Failure to pay any amount called up on shares may lead to forfeiture of the shares.

On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

37.13 Hedging activity and derivatives

Fair value hedge of gold price risk in inventory

The Group enters into contracts to purchase gold wherein the Group has the option to fix the purchase price based on market price of gold during a stipulated time period. The prices are linked to gold prices. Accordingly, these contracts are considered to have an embedded derivative (represented in the said option to fix the price) that is required to be separated from the host contract which is the gold loan liability. Such feature is kept to hedge against exposure in the value of inventory of gold due to volatility in gold prices. The Group designates the embedded derivative in the payable for such purchases as the hedging instrument in fair value hedging of inventory. The Group designates only the spot-to-spot movement of the gold inventory as the hedged risk. The carrying value of inventory which are designated under fair value hedge relationship are measured at fair value at each reporting date. There is no ineffectiveness in the relationships designated by the Company for hedge accounting.

Disclosure of effects of fair value hedge accounting on financial position:

Hedged item - Changes in fair value of inventory attributable to change in gold prices

Hedging instrument - Changes in fair value of the option to fix prices of gold purchases, as described above

As at 31 March 2018

Note 37.14: Capital management

The Group's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The board of directors seeks to maintain a balance between the higher returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position. The primary objective of the Group Capital Management is to maximise shareholder value. The Group manages its capital structure and makes adjustments in the light of changes in the economic environment and the requirements of the financial covenants, if any.

The Group monitors capital using a ratio of 'adjusted net debt' to 'equity'. For this purpose, adjusted net debt is defined as total borrowings, comprising interest-bearing loans and borrowings less cash and cash equivalents. Equity comprises all components of equity.

Note 37.15 : Financial Instruments - Fair values and risk management

37.15.1: Financial Instruments - Fair values

Accounting classification and fair values

Carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy, are presented below. It does not include the fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

- a) The fair value of financial instruments have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements)

The categories used are as follows:

- Level 1: Quoted prices for identical instruments in an active market;
- Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data.

37.15.2: Financial risk management

The Group has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk;
- Market risk

Risk management framework

The Group board of directors has overall responsibility for the establishment and oversight of the Group risk management framework. The board of directors has established the Risk Management Committee, which is responsible for developing and monitoring the Group risk management policies. The committee reports regularly to the board of directors on its activities.

The Group risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the Group risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Group. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

A: Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's exposures to trade receivables (mainly institutional customers and credit sales), deposits with landlords for store properties taken on leases and other receivables including balances with banks.

Trade receivables and other deposits

The Group's retail business is predominantly on 'cash and carry' basis which is largely through cash and credit card collections. The credit risk on such credit card collections is minimal, since they are primarily owned by customers' card issuing banks. The Group has adopted a policy of dealing with only credit worth counterparties in case of institutional customers and credit sales and the credit risk exposure for institutional customers and credit sales are managed by the Group by credit worthiness checks. The Group also carries credit risk on lease deposits with landlords for store properties taken on leases, for which agreements are signed and property possessions timely taken for store operations. The risk relating to refunds of deposits after store shut down is managed through successful negotiations or appropriate legal actions, where necessary.

Other financial assets

The Group maintains exposure in cash and cash equivalents and term deposits with banks. The Cash and cash equivalents and term deposits are held with the banks with good credit ratings.

The Group's maximum exposure to credit risk as at 31st March 2018, 31 March 2017 and 1st April 2016 is the carrying value of each class of financial assets.

B: Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group reputation.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

The Group maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31st March, 2017 and 31st March, 2016. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis.

The Group regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing term deposits with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

Exposure to liquidity risk

As of 31 March 2018, 31 March 2017 and 1 April 2016 the Company had unutilized credit limits from banks of ₹ 10,712.66 lakhs, ₹ 18,450.02 lakhs and ₹ 9,290.70 lakhs respectively.

C: Market risk

Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i. Currency risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to US Dollar. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the Company's functional currency.

There are no exposure to currency risk as on 31 March 2018, 31 March 2017 and 1 April 2016.

ii. Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing financial assets or borrowings because of fluctuations in the interest rates, if such assets/borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing borrowings will fluctuate because of fluctuations in the interest rates.

Exposure to interest rate risk

The interest rate profile of the Group interest-bearing financial instruments as reported to the management of the Group is as follows.

| Particulars | Nominal amount | | |
|----------------------------------|----------------|---------------|--------------|
| | 31 March 2018 | 31 March 2017 | 1 April 2016 |
| Fixed-rate instruments | | | |
| Financial assets | | | |
| Deposits with banks | 2,651.57 | 2,629.32 | 3,216.33 |

| WCDL facility | 6,750.00 | 3,250.00 | 7,000.00 |
| Floating-rate instruments | | | |
| Financial liabilities | | | |
| Cash credit facilities | 50,091.88 | 51,610.17 | 56,736.09 |

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

The Group fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Sensitivity

The sensitivity to profit and loss in case of a reasonable possible change in interest rate of +/- 25 basis points (previous year +/- 25 basis points), keeping all other variables constant, would have resulted in an impact on profits by ₹ 130.24 Lakhs (previous year ₹ 138.41 Lakhs)

iii. Price risk

Exposure from investments in mutual funds:

The Company's exposure to price risk arises from investment in mutual funds held by the Group and classified in the balance sheet as fair value through profit and loss.

Exposure from Borrowings:

The Group exposure to price risk also arises from borrowings of the Group that are at unfixed prices, and therefore, payment is sensitive to changes in gold price. The option to fix gold prices are classified in the balance sheet as fair value through profit or loss. The option to fix gold prices are at unfixed prices to hedge against potential losses in value of inventory of gold held by the Group.

The Group applies fair value hedge for the gold purchased whose price is to be fixed in future. Therefore, there will no impact of the fluctuation in the price of the gold on the Group profit for the period.

Note 37.16: First time adoption of Ind AS

These consolidated financial statements, for the year ended 31 March 2018, are the first financial statements prepared by the Group in accordance with Ind AS. For periods up to and including the year ended 31 March 2017, the Group prepared its consolidated financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Indian GAAP' or 'Previous GAAP').

Accordingly, the Group has prepared consolidated financial statements which comply with Ind AS applicable for periods ending on 31 March 2018, together with the comparative period data as at and for the year ended 31 March 2017, as described in the summary of significant accounting policies. In preparing these consolidated financial statements, the Group's opening Ind AS balance sheet was prepared as at 1 April 2016, the Group's date of transition to Ind AS. This note explains the principal adjustments made by the Group in restating its Previous GAAP consolidated financial statements, including the balance sheet as at 1 April 2016 and the consolidated financial statements as at and for the year ended 31 March 2017.

The Group has applied Ind AS 101 in preparing these first consolidated financial statements. The effect of transition to Ind AS on equity, total comprehensive income and reported cash flows are presented in this section and are further explained in the notes accompanying the tables.

Ind AS optional exemptions:

a. Deemed cost for property, plant and equipment, intangible assets and investment property.

The Company has elected to measure all its property, plant and equipment, intangible assets and investment property at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

Ind AS mandatory exceptions:

a. Estimates

On assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under Previous GAAP are made by the Company for the relevant reporting dates reflecting conditions existing as at that date.

b. Classification and measurement of financial assets

The classification of financial assets to be measured at amortised cost or fair value through other comprehensive income is made on the basis of the facts and circumstances that existed on the date of transition to Ind AS.

Adjustments to Statement of Cash Flows

There were no material differences between the Statement of Cash Flows presented under Ind AS and the Previous GAAP.

Notes to the reconciliations

a. Measurement of leases

Under Previous GAAP, any escalation in operating lease rentals were straight-lined over the lease term.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

Under Ind AS, operating lease rentals are not straight lined over the lease term if the payments to the lessor are structured to increase in line with expected general inflation. Further, under Ind AS, rental expense is also attributed to operating lease incentives, like rent free period.

b. Fair valuation of Investment

Under Previous GAAP, current investments were stated at lower of cost and fair value.

Under Ind AS, these financial assets have been classified as Fair Value Through Profit and Loss ('FVTPL') on the date of transition to Ind AS and fair value changes after the date of transition have been recognised in the statement of profit and loss.

c. Remeasurements of defined benefit liability

Under the Previous GAAP, these remeasurements were forming part of the profit or loss for the year.

Under Ind AS, remeasurements i.e. actuarial gains or losses, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of the statement of profit and loss.

d. Provision for KP scheme

Under Previous GAAP, provision for KP scheme was accrued and recognised over the period of the scheme.

Under Ind AS, discount offered to customers under KP scheme need to be recognised as and when actual sales happen. Hence, provision created for KP scheme under Previous GAAP has been reversed and discount under the scheme is recognised as reduction of revenue at the time of actual sale.

e. Deferred tax

Under Previous GAAP, deferred tax was accounted as per the income statement approach which required creation of deferred tax asset/ liability on timing differences between taxable income and accounting income. Under Ind AS, deferred tax is accounted as per the Balance Sheet approach which requires creation of deferred tax asset/ liability on temporary differences between the carrying amount of an asset/ liability in the Balance Sheet and its corresponding tax base. The adjustments in equity and net profit, as discussed above, resulted in additional temporary differences on which deferred taxes are calculated.

f. Other comprehensive income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in the statement of profit and loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans. The concept of other comprehensive income did not exist under Previous GAAP.

g. Proposed dividend

Under Previous GAAP, proposed dividends and related dividend distribution tax was recognised as a provision in the year to which they relate, irrespective of when they are declared. Under Ind AS, dividends and related dividend distribution tax are recognised as a liability in the year in which it is approved by the shareholders in the Annual General Meeting of the Company.

h. Excise duty

Under Previous GAAP, excise duty was netted off against sale of goods. However, under Ind AS, excise duty is included in sale of goods and is separately presented as expense on the face of Statement of Profit and Loss. Thus, sale of goods under Ind AS has increased with a corresponding increase in expenses.

i. Hedge Accounting

Under Previous GAAP, in respect of purchase of goods at prices that are yet to be fixed at the period end, adjustments to the provisional amounts invoiced by the vendor were recognised in the cost of inventory based on the closing gold rate.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31 March 2018 (Continued)

(Currency : ₹ in Lakhs)

Under Ind AS, in respect of purchase of goods at prices that are fixed subsequent to the date of purchase, the Group has applied hedge accounting w.e.f. 1 April 2016 wherein the option to fix prices is designated as a hedging instrument and change in fair value of inventory attributable to change in prices between the date of purchase and the date of fixing prices or reporting date (as applicable) is designated as hedged item.

The hedging relationship is considered a fair value hedge. The gain or loss on the hedging instrument is recognised in statement of profit and loss and the corresponding gain or loss on the hedged item is adjusted in the carrying amount of the hedged item and recognised in statement of profit and loss.

j. Financial assets and liabilities

Under Previous GAAP, the financial assets and financial liabilities were carried at the contractual amount receivable or payable.

Under Ind AS, certain financial assets and financial liabilities are initially recognised at fair value and subsequently measured at amortised cost which involves the application of effective interest method. Hence, security deposits have been recorded initially at fair value using an appropriate discount rate. The difference between the present value and the amount paid is recognised as a prepaid rent. The unwinding of the security deposit as per the effective interest rate method will be recognised as a finance income over the period of the lease.
