OUR STAFF REPORTER BHOPAL

The BJP has made Jyotiraditya Scindia a bridegroom but it will not accept him as its son-in-law. Former chief minister Kamal Nath stated this while addressing a public meeting in Bada Malhera on Wednesday. The BJP and Congress are pulling up each other as bypolls are approaching.

While addressing election rallies, the ex-chief minister is trying to establish that BJP has sidelined Scindia from its main party line. Nath sought apology from people of Bada Malhera that he had selected a wrong candidate from the constituency and promised that he will rectify his

wrong doing. He added that fre-

quent elections, where deals are made to purchase candidates, are not good for democracy. "Indian Constitution is respected world-

about by-polls in case of death of MLA, MP. But he did not know that parties like BJP will create a situation for bypolls by trading MLAs," Nath said. The ex-CM also addressed public meeting in Mungaoli. He said when Congress will form government, they will investigate Vyapam scam, e-tender scam and Bundelkhand mitigation package scam and put corrupt behind bars.

As a part of its investigation, SFIO has been seeking information from the Company on an ongoing basis various. The investigation is in progress and the Company is fully cooperating with the investigating agencies. The implications if any, arising from the aforesaid developments would be known only after the aforesaid matters are concluded and hence are not determinable a this stage. No adverse findings have been communicated to the Company.
- The Board of Directors of the IL&FS (ultimate holding company of HREL) has initiated a forensic examination for the period from April 2013 to September 2018, in relation to certain companies of the Group, and has appointed an independent third party for performing the forensic audit and to report the findings. The Company is not in the list of Companies identified by the Board of Directors of IL & FS for forensic audit. The independent third party has submitted their interim report in relation to the audit of ITNL (the holding Company) and the observations contained therein related primarily to the operations of ITNL. Given that the report is interim in nature and pending full completion of the examination, specific adjustment if any related to the Company arising from the said forensic audit of ITNL, has not been determined. Hence no adjustments have been recorded in these financial statements for any consequential effects / matters that may arise in this regard.
- Pursuant to the "Third Progress Report Proposed Resolution Framework for the IL&FS Group" dated 17 December, 2018 and the "Addendum to the Third Progress Report – Proposed Resolution Framework for IL&FS Group" dated January 15, 2019 ("Resolution Framework Report") submitted by the Company to the Ministry of Corporate Affairs, Government of India which, in turn, was filed with the Hon'ble National Company Law Appellate Tribunal ("NCLAT"), the creditors of the Company were invited (via advertisement(s) dated May 22, 2019) to submit their claims as at October 15, 2018 with proof, on or before 5 June, 2019 (later extended till February 5,2020) to a Claims Management Advisor ("CMA") appointed by the IL&FS Group. The amounts claimed by the financial and operational creditors are assessed for admission by the CMA.

The CMA, vide their various communications to the management of the Company, have submitted their report on the status of the claims received and its admission status. The report is subject to updation based on additiona information / clarification that may be received from the creditors in due course

Management of the Company has reviewed the claims made by third parties with the CMA, and reconciled them with the books of accounts. Such claims have either been provided for, or shown as contingent liabilities if there is a possible obligation on the company. No action is taken if the possibility/probability of outflow is remote.

Union of India has superseded the earlier Board of Holding Company and appointed new Board from October 01,2018. Entire group is going through severe financial stress. National Company Law Appellate Tribunal ("NCLAT") had passed an order on October 15, 2018 ("Interim Order") in Company Appeal (AT) 346 of 2018, imposing moratorium on the creditors of IL&FS and its 348 group companies, which includes the Company. Further based on a 12-month cash flow solvency test conducted by the resoulation consultants appointed by the Board of Directors of IL&FS, the NCLAT vide its orders dated February 11, 2019 classified the Company under the "Amber Category" based on 12 month cash flow solvency test, which meant that the Company was able to meet only financial obligation towards Senior Lenders and operational creditors. In view of this classification and the moratorium order, the Company had stopped servicing financial obligations towards all its financial creditors. In August 2019, IL&FS Ltd received a bid from a third party which was accepted by the Board of ITNL & IL&FS (the ultimate Holding Company). This accepted bid was not renewed by the third party beyond the bid validity date. The New Board after careful evaluation of alternate resolution options, has given its in-principle approval to

establish an infrastructure investment trust ("InvIT") under the SEBI InvIT regulations and proposes to transfer the stake held by ITNL along with loans and receivables from the Company to the said InvIT.

In furtherance of the same, ITNL has incorporated a wholly owned subsidiary to act as the Sponsor to the proposed InvIT and made an application for registration of the InvIT to SEBI which is under consideration. Pursuant to the aforesaid, management believes that use of the going concern assumption for preparation of these financial results is appropriate as the business operations of the Company will continue in foreseeable

The Company is not in compliance with the Companies Act 2013, as applicable to the Company. These non compliances pertain to appointment of Directors, filings with Regulators, appointment of Key Management personnel and such other regulations. These do not have an impact on financial reporting and/or compliance

- with accounting standards in view of Companies Fresh Start Scheme 2020 declared by Ministry of Corporate Affairs in March 2020. 10 As a part of divestment process, IL&FS Ltd received a bid from a third party. For the previous year ended March 31, 2019, the Company used the bid price to determine the fair value of the asset. Shortfall in the value of the
- bid (after adjustment of NHAI claim for negative scope of work amounting Rs 4655 Lakhs) as compared to the carrying cost of the assets in the books of the Company was recognized as impairment in the value of the assets in the financial statement as on March 31, 2019. In line with the affidavit filed by Ministry of Corporate Affairs (MCA) to the Hon'ble NCLAT on May 21, 2019,the cut-off date of October 15, 2018 ("Cut-Off Date") was proposed, on account of inter alia the fact that the Hon'ble
- NCLAT had passed wide its order dated March 12, 2020, had upheld its interim order of October 15, 2018, which inter alia granted certain reliefs to the IL&FS Group and also restricted certain coercive actions by the credito of the IL&FS Group. In terms of the Resolution Framework Reports, the proposal made is that all liabilities relating to the relevant

IL&FS Group Entity, whether financial (including interest, default interest, indemnity claims and additional charges), operational debt (including interest, indemnity or other claims) as well as statutory claims (including tax, employment and labour related claims), whether existing at or relating to a period prior to the Cut-Off Date should not continue accruing further interest.

Accordingly the Company has not accrued any interest amounting to ₹ 7312.70 Lakhs (Upto previous year ₹ 3502.96 Lakhs) ,default interest, penal interest and any other similar charges after the said cut off date of 12 Based on the current assessment of the project, estimates of periodic maintenance cost has been changed. This

- along with other factors (such as increase on O&M Cost due to GST impact, delay in receipt of annuities) has resulted into modification loss of ₹ 254 lakhs in accordance with the principle of IND-AS 109.
- 13 The above audited results were approved by the Audit Committee and taken on record at the Board meeting held
- 14 No complaints were recorded during the year and no complaint is pending as on September 30, 2019.
- 15 The Company doesn't have any outstanding Redeemable Preference Shares, accordingly there is no requirment to record Capital Redemption Reserve.
- 16 The formulas used for calculation of Debt Service Coverage Ratio, Interest Service Coverage Ratio and Debt Equity Ratio are as follows:-

(i) Debt Equity Ratio = Debt / (Equity Share Capital + Reserves & Surplus)

revised EIR.

सही/-

- Debt Service Coverage Ratio (DSCR) = (Profit before Interest Expenses and Tax) / (Interest Expenses +
- (iii) Interest Service Coverage Ratio = (Profit before Interest Expenses and Tax) / Interest expenses
- 17 In view of impairment of Receivable under service concession arrangements carried out during previous year based on the bid price recevied for the Company, as a part of divestment process, the effective interest rate (EIR)

of the project has been re-adjusted for the annuity receivable during the balance concession period considering

the Annuity amounts as per SCA .Accordingly, Company has recognized incremental Finance Income at such
